The Parrsboro tern schr. Frederick H. Capt. Haux, which recently discharged a cargo of lumber and laths, at New York, from St. George, N.B., is returning to a provincial port, with hard coal.
 The Digby schooner Dorothy M. Smart, Capt. Wm. Ross, sailed from Yarmouth for the fishing grounds Tuesday morning, after lying in this harbor nearly four weeks, awaiting a favorable opportunity.

The tern schooner E. P. Theriault, Capt. Joseph Oliver, which went ashore near the entrance to New York harbor some three weeks ago, has been towed to New London, Conn., where a survey was being held. The vessel met with considerable damage.

The Standard Oil Tanker Thomas H. Wheeler, in command of Captain Samuel Purdy, of Yarmouth, formerly master of the Victrolite, sailed from New York on Tuesday for the South. The Wheeler is 7,653 tons, built this year, and 3,344 tons smaller than the Victrolite.

The Barrington schooner Thomas & Hubert, Capt. Ansel Snow, left Yarmouth at 9 o'clock Wednesday evening of last week for the fishing grounds, made one set, and owing to threatening weather, returned to port just before noon Thursday with 6,000 pounds haddock.
 Word has been received by Ben Belliveau, of Belliveau's Cove, that his schooner, Rosanna Belliveau, Capt. Comeau, arrived at Boston on Sunday. Also that the schooner Edith Belliveau, Captain Bernard Bonenfant had arrived at Mobile, with a cargo of coconuts, on Sunday.

A new record has been accomplished by the Hudson's Bay Company steamer Nasopie which is now lying snugly in harbor at St. John's, Nfld. The Nasopie made two trips into the Arctic in one short season. On the second voyage she carried seven hundred Norwegian reindeer which were put ashore for up in Baffin Land. The Weymouth schooner J. Scott Hankinson, Capt. Moore, at Parker Eakins Co.'s dock, Yarmouth, will complete loading her cargo of lumber for Boston in a day or so. The schooner, after delivering that cargo, will load fertilizer at that port and will return to Yarmouth, where it is expected she will obtain another lumber charter.

Thursday's Halifax Herald says: G. Heber Vroom has returned to St. John from Bridgewater and Bear River, where he has been looking after the steamer Vallida. The vessel was under water for one tide and then was able to proceed to Bridgewater under her own steam. There she discharged her cargo. She went from there to Bear River, where she is laid up for repairs. A large hole was stove in her side, some timbers were broken, and the vessel was strained all over. Mr. Vroom said that it was not likely that she would go on the St. John-Bridgewater route again this season, as the Bay Queen, a Halifax boat, has been engaged to take her place.

GOUCHER-WATERMAN

A very pretty wedding took place at the home of Deacon Goucher, Torbrook on Wednesday, November 16th, when his son Ralph was united in marriage to Fayne Winnifred, daughter of Mr. and Mrs. Frank Waterman. The bride was dressed in white silk and georgette embroidered, wearing the bridal veil and orange blossoms and carried a bouquet of white roses. The groom's gift to the bride was a set of raccoon furs, and to the organist a gold brooch. The couple left on a wedding trip by the way of St. John to Boston, Dover and Lowell, Mass., where they will visit friends and relatives, returning in two weeks' time to their new home at Torbrook.
