A Crayon Enlargement, 18 by 24 inches, of one of the best photographs of the late Rev. Father Morrissey, the renowned priest-physician, has been prepared for admirers of the priest himself or of his wonderful prescriptions. Better even than the small reproduction above, it is a very handsome picture, worthy of framing. The Father Morrissey Medicine Co., Ltd., of Chatham, N.B., will be glad to send an enlargement, absolutely free, to each one who writes for it. 73

Getting Sympathy.— Young wife (rather nervously)— O cook, I must really speak to you. Your master is always complaining. One day it is the soup, the second day it is the fish, the third day it is the joint—in fact it is always something or other.

Cook (with feeling)— Well, mum, I'm sorry for you. It must be quite awful to live with a gentleman of that sort.—Philadelphia Inquirer.

Kidney Disease For Years

This Well Known Gentleman Strongly Recommends "Fruit-a-tives" to all Sufferers.

"I have much pleasure in testifying to the almost marvellous benefit I have derived from taking "Fruit-a-tives." I was a lifelong sufferer from Chronic Constipation, and the only medicine I ever secured to do me any real good was "Fruit-a-tives." This medicine cured me when everything else failed. Also, last spring I had a severe ATTACK OF BLADDER TROUBLE, and "Fruit-a-tives" cured these complaints for me, when the physician attending me had practically given me up. I am now over eighty years of age and I can strongly recommend "Fruit-a-tives" for chronic constipation and bladder and kidney trouble. This medicine is very mild like fruit, is easy to take, but most effective in action."

TICKLED

The dark monarch from sunn'Africa was being shown over an engineering place in Salford by the manager, who, in explaining the working of certain machinery, unfortunately got his coat tail caught in it, and in a moment was being whirled round at so many revolutions per minute. Luckily for the manager, his garments were unequal to the strain of more than a few revolutions, and he was hurled, dishevelled and dazed, to the feet of the visitor.

That exalted personage roared with laughter and said something to his interpreter.

"Sah," said that functionary to the manager, "his majesty say he am berry pleased with de trick, an' will you please do it again?"

Hidden Skin Troubles

Have you on some part of your body a sore, or eruption, or ulcer, or eczematous patch which, hidden from the gaze of others, yet causes you hours and hours of pain and inconvenience? Have you tried this, and that, and the other remedy in vain, and are you feeling disheartened and discouraged? If so read the following instances of Zam-Buk's healing power, and apply it to your case:

"I had an ulcerated leg for several years. The ulcers spread all round the limb, which was swollen to nearly twice its normal size. Several doctors treated me. One suggested amputation. None did me any good. Zam-Buk healed the sores!" So says Mrs. Gilmour, of Princess St., Kingston. Or, read this:—
"My mother tried many things for abscesses and eruptions, but in vain. In Zam-Buk she found a complete cure." So says Miss A. Coggill, of Wapella (Sask.). Sufferers from these "Hidden Skin Troubles" of any nature should profit by such experiences as this. Zam-Buk is seen at its best when applied to cases which have defied ordinary treatment. Write for trial box, and test it at our expense.

ZAM-BUK THE GREAT SKIN-CURE.
ZAM-BUK AND A MIRACLE OF HEALING
Over and over again Zam-Buk has performed a miracle of healing when applied to sores and skin injuries which have refused to heal under any other form of treatment. Why not let it heal your trouble? Immediately Zam-Buk is applied to a sore or wound or diseased portion of flesh, it commences its work in two directions. It anesthetizes the exterior, and its antiseptic properties prevent any germs and bacilli from creating trouble. Then the herbaceousness and juices so finely purified and concentrated, penetrate the subjacent layers and stimulate the weakened or diseased cells to active, healthy operation. These cells then put forth their "Building" products and replace the diseased outer layer with fresh and healthy tissue. By degrees the whole diseased surface is thus replaced by new healthy skin.
In this way Zam-Buk cures cuts, burns, bruises, ulcers, abscesses, itch, eczema, eruptions, pustules, scurvy, salt rheum, blood poison, and other forms of skin trouble. Zam-Buk also cures piles, varicose ulcers, etc. All druggists and stores sell at 50c per box, or from Zam-Buk Co., Toronto, for price, 5 boxes \$2.50.
