New Publication.

BAPTIZED IN FIRE.

THE CHICAGO PHENIX.

A UNIVERSAL NEWSPAPER

READ THE FOLLOWING.

A popular weekly paper for the times, embracing the
leading features of those journals destroyed by the terrible
conflagration, and combining just such a corps of writers as
will give the public all the news of the week, in a condensed
compilation of the leading journals of the nation, and the
world.

A TRUTHFUL RECORD.

The PHENIX will be the most truthful and reliable recorder
of incidents and facts concerning the great fire, ever pub-
lished.

ACCOUNTS OF THE FIRE.

It will contain only such accounts as are vouched for by
reliable witnesses, and will correct the erroneous and fabri-
cated statements of sensational writers.

CHICAGO AND THE NEWS.

It will, for a time, be devoted especially to the past, present
and future of Chicago, besides being the most complete
weekly newspaper in the world.

WIRESIDE COMPANION AND NEWSPAPER.

Its columns are devoted to News, Commerce, Science,
Literature, Art, Drama, Music, Humor, Pastime, Poetry,
Fashion, Society news, and enough of Romance to make it a
most desirable fireside companion, as well as the most reli-
able and complete newspaper for the business man in the
counting-room.

BEAUTIFUL ILLUSTRATIONS.

It will be illustrated with engravings taken from Photo-
graphs of the Chicago Ruins, instead of sketches. "By Our
Special Artist" who was not "on the spot;" and thus gives
a series of PERFECT VIEWS, not obtainable elsewhere, and
the first number will contain the only correct map of the
burned city.

HAPPY HOURS.

That beautiful literary journal, "HAPPY HOURS," whose
publisher was the first to issue a paper to meet the public
demand, after the awful fire, has been merged into the lit-
erary department of the PHENIX, which will embrace the
contributions of more than sixty of the most popular writers
of the day.

A SPECIAL FEATURE.

The PHENIX will contain, as an special feature, a more
complete record of incidents and results of the late terrible
fire, than can be found in any book, paper or publication in
the country. So numerous and inaccurate have been the
accounts sent forth, that something reliable is eagerly sought
at this time, and the PHENIX will fill the bill.

A PAPER FOR THE PEOPLE.

The PHENIX is the cheapest paper in America, being an
eight page, forty column weekly, at only two dollars a year
in fact it shall be the paper for the people and the times.

THE FIRST NUMBER.

The first number will be issued on Saturday Nov. 11th, and
will be the paper wanted by every body, as a record worth
preserving or to send away, and for its accurate illustrations

ITS BASIS.

It is a consolidation of other journals, and therefore on
solid foundation, continuing their former circulation.

NEW SUBSCRIBERS.

To any person who gets us three new subscribers, we will
send The Phenix for one year free, or one of our beautiful
prize, steel plate engravings worth \$2.50.

before the close of the present year, we will give to every
person who subscribes for the Phenix during the month of
November, a beautiful steel plate engraving, worth \$2.50, half
a dollar more than the price of subscription. No such op-
portunity was ever before given, and probably never will be
