Any Person can Play Without a Teacher.

Invested in Super's Instantaneous Guide to the Piano and Organ, will enable you to play 30 familiar airs on either instrument at once. You require no previous knowledge of music whatever. It will teach you more music in one day than you can learn from a teacher in a month. Send for it. It will not disappoint you. Every house having a Piano or Organ should have a GUIDE. A lady writes: "Your Guide has brought much happiness to my family. My husband says it is the best purchase he ever made. My children derive much happiness from it." The Guides are sold in handsome folio sets with 30 pieces of Popular Music for \$1.00. Just think of it—you would pay more than that amount for a single lesson. The set complete, will be mailed free on receipt of price.
