BUSINESS
MEN!**

Advertising pays every Business Man, in fact the man who fails to use Printers Ink soon ceases to have any custom.

It is advisable to select the best journals, and to use their columns persistently and intelligently. This costs money—but just as with virtue, it brings its own reward. The REVIEW is very reasonable in its Advertising Rates, and already many of the really livemen in town are on our List. This is a good thing for them, as the REVIEW reaches many of the best people in Canada, and it is wise to keep your name before the general public.
