ALL WELL PLEASED.—The children like Dr. Low's Pleasant Worm Syrup and parents rejoice over its virtues.

Scientific and Useful.

ALBANY BREAKFAST CAKE.—Six eggs, one quart of milk, one teaspoonful salt, a half teaspoon of soda, dissolved in hot water. Stir in corn meal to make a thick batter, and bake in a quick oven.

DAVIS' Pain Killer is the best medicine in the world for all diseases of the bowels.

GINGER COOKIES.—One cupful of butter, one cupful of sugar, one cupful of molasses, one tablespoonful of ginger, one tablespoonful of cinnamon, two teaspoonfuls of saleratus, dissolved in a little hot water; bake quickly.

GET THE BEST.—Dr. Fowler's Extract of Wild Strawberry is the best, most prompt and safest cure for cholera morbus, dysentery, sick stomach, cramps, colic and cholera infantum that has yet been discovered. Its popularity is undimmed by age. All medicine dealers sell it.

WELSH RAREBIT.—Spread thin slices of bread with a mixture of a cupful of dry, grated cheese worked to a creamy paste with half a teaspoonful of made mustard, a pinch of cayenne, a quarter teaspoonful of salt, a tablespoonful of cream, and a generous tablespoonful of butter. Cut each slice in half and fold upon itself, the mixture inside.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloral, tobacco and kindred habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if desired. Send 6c in stamps for book and testimonials from those who have been cured. Address M. V. Lubon, 47 Wellington Street East, Toronto, Ont.

LEMONADE AU LAIT.—To make two quarts of this delicious beverage, put half a pint of lemon juice, half a pint of white wine, three-quarters of a pound of loaf sugar, and a quart of boiling water into a pitcher. Stir well, cover closely, and when cold add a pint of boiling milk. Let the preparation stand over night, then strain it either through a jelly bag or a piece of fine muslin, and it is ready for use.

LADIES go into ecstasies over the new perfume, "Lotus of the Nile."

A BROOM BAG.—A useful but not handsome bag is made of cotton flannel, with a casing or hem at the top and string drawn in it. Have the fuzzy side out. Put this over the broom and tie it around the handle, and use it to sweep down the wall of your rooms once a week. After each using, wash clean and put away. If this bag is faithfully used, you will be surprised to see how much longer your paper will look clean and nice than if neglected.

Consumption Surely Cured.

TO THE EDITOR.—Please inform your readers that I have a positive remedy for the above named disease. By its timely use thousands of hopeless cases have been permanently cured. I shall be glad to send two bottles of my remedy FREE to any of your readers who have consumption if they will send me their Express and P. O. address. Respectfully, **DR. T. A. SLOCUM,** Branch Office, 37 Yonge Street, Toronto.

MILK BREAD.—Scald a pint of milk and let it cool, add one tablespoonful of melted butter, one teaspoonful of salt and one tablespoonful of sugar, a cup of home-made yeast or one-fourth of a yeast cake dissolved in a cup of lukewarm water, then add flour enough to make quite stiff. Stir in the flour gradually, but do not knead. Let it rise over night, in the morning knead well, let it rise until light, and bake in a quick oven.

IN BETTER HUMOR NOW.—My son, aged eleven, was cured of an eruptive humor that covered his head and face with sores, by two bottles of Burdock Blood Bitters and Pills," testifies Mrs. Mary Bulford, of Port Hope, Ont.

LEMONADE.—Pare off the thin yellow rind of two fresh lemons, taking care that none of the thick white pith adheres to it, as that would impart a bitter taste to the lemonade; put the rind into a pitcher with the juice of the lemons, two ounces of loaf sugar, a small piece of root ginger and a quart of boiling water. Let this stand, closely covered, until quite cold, then carefully strain, and it is ready for use. This is a simple, cooling, refreshing drink which may be given in nearly every case, excepting diarrhoea, dysentery and other complaints of that description.

For Delicate, Sickly Children

Scott's Emulsion is unequalled. See what Dr. C. A. Black, of Amherst, N. S., says: "I have been acquainted with Scott's Emulsion of Cod Liver Oil, with hypophosphites, for years, and consider it one of the finest preparations now before the public. Its pleasant flavour makes it the great favourite for children, and I do highly recommend it for all wasting diseases of children and adults." Put up in 50c. and \$1 size.
