*He who waits* for an inactive liver to do its work, exposes himself to all the diseases that come from tainted blood. Don't wait! Languor and loss of appetite warn you that graver ills are close behind. You can keep them from coming; you can cure them if they've come—with Dr. Pierce's Golden Medical Discovery. It's the only blood and liver medicine that's *guaranteed*, in every case, to benefit or cure. Your money back if it doesn't. Thus, you only pay for the good you get. Can you ask more? It cleanses the system and cures pimples, blotches, eruptions and all skin and scalp diseases. Scrofulous affections, as fever-sores, hip-joint disease, swellings and tumors yield to its superior alterative properties.

**BAKED APPLE PUDDING.**—Cut three slices of bread from a stale loaf—they should not be any thicker than a quarter of an inch; pare a pound of good baking apples, cut them into quarters and entirely remove the core; then slice them very thin. Well butter a good-sized pie dish, and lay at the bottom one of the slices of bread, cut to fit the dish; put upon this a layer of the apples, a good sprinkling of sugar and a few small pieces of butter; next another slice of bread, apples, sugar and so on until the dish is as full as required; pour over all one pint of milk, and bake in a moderate oven for about an hour and a half, or until the apples feel quite soft when a fork is pressed into them.

There's no need why a woman's hand should be made ugly and distorted. Nature didn't make them so, and they wouldn't be in that condition if they had been used to a Soap like the "Sunlight." Take care of the hands, and use only "Sunlight" Soap for all household purposes.

## Superior Hot Air Furnaces

Are now in use throughout the Dominion in dwelling houses, stores, schools, public halls and churches, and are proved to be **The Cleanest, Healthiest and most Economical** Furnaces ever introduced. We have hundreds of Testimonials. Note the following:—

SMITHS FALLS, 3rd June, 1890.

We are highly pleased with the No. 36 Superior Furnace which you placed in our St. Andrews Church last season, and which heated our Church and Sunday School Room adjoining, containing in all 70,000 cubic feet, to our entire satisfaction. All other furnace manufacturers claimed that two furnaces would be necessary. Your furnace is easily managed, free from dust and gas. The system of ventilation in connection with the heating has proved highly satisfactory. We have effected a great saving of fuel and labour, and are well pleased in every way.

WOODSTOCK, 6th May, 1889.

Messrs. Burrow, Stewart & Milne. GENTLEMEN—We take much pleasure in expressing our entire satisfaction with your Superior Jewel Furnace, having used it during the past winter in heating Chalmers Church in this town. Our Church contains 60,200 cubic feet, with eight large windows, and four entrances at each end of the room. All parts of this large room have been most comfortably heated with a very moderate amount of coal. Respectfully yours,

W. H. WALLACE, Sec. Board of Trustees Chalmers Church.
