FOR COMMUNION PURPOSES.

BRITISH DOMINION WINE.

Manufactured from the Best Canada Grapes
without the use of either artificial coloring or
distilled spirits in any form.

After repeated chemical analyses of the Wines made
by Robert Bradford of No. 595 Parliament St., Toronto,
I do not hesitate to pronounce them to be unsurpassed
by any of the native Wines that have come under my
observation.

Analyses show them to contain liberal amounts of
theoretical and saline elements, sugar and tannic acid
etc., characteristic of true Wine and which modify
materially the effects which would be produced by
alcohol alone.

Retaining to a high degree the natural flavor of the
grape, they serve the purpose of a pleasant table Wine
as well as that of a most valuable medicinal Wine.
