THURSDAY, SEPTEMBER 23RD, 1886.

In entering goods, or in making inquiry concerning anything advertised in this paper you will oblige the publishers, as well as the advertiser, by stating that you saw the advertisement in the PRESBYTERIAN REVIEW.

THE Ladies' Aid of the Sutton church will hold a bazaar on the second day of the Fall Fair.

The receipts of the bazaar, St. Andrew's church, Chatham, N.B., are reported to be \$1000.

Rev. Dr. McTAVISH, Lindsay, recently preached the anniversary sermon in Oakwood church.

DR. REID has received from a member of Dumfries Street church, Paris, for Home Missions, \$10.

COMMANDER CHEYNE is announced to deliver two lectures in aid of the Sutton Presbyterian church.

THE new Division Street church, Owen Sound, Rev. J. Sumerville, M.A., pastor, was opened last Sabbath.

THE vote in the Innerkip congregation in favour of the use of an organ stood 53 to 27, while 45 expressed no opinion.

REV. E. F. TORRANCE, Peterboro', received a warm welcome from his congregation on his return home from Europe.

ST. ANDREW'S church, Glenora, was reopened on Sunday, Sept. 21st, Rev. W. R. Hall, of Vanneck, delivering the sermons.

THE Rev. R. H. Myers with his family have returned to their home, Norwich, Ont., after spending a very pleasant time in Dakota.

REV. G. M. MILLIGAN, pastor of Old St. Andrew's, Toronto, returned to the city last week after a two months' trip to Europe. He occupied his own pulpit last Sabbath.

In the Peterboro' Presbytery there are 24 congregations. During the last ten years there have been no less than 17 changes in the pastorates. In the Montreal Presbytery 14 congregations and 11 changes.

THE Presbyterian congregation of Dalhousie, North Sherbrooke and Snow Road has unanimously decided to give a call to Mr. Alex. McAuley, licentiate of Queen's College, Kingston, promising a salary of \$850.

A PARLOR concert and garden social in aid of the improvement fund of the Presbyterian manse, Churchill, was held at the residence of Mr. J. A. Rogers, Lot 20, Con. 2, Innisfil, on Tuesday, Sept. 14th.

IN SEASON. It is now in season to warn our readers against the sudden attacks of Cholera, Cramp, Colic, and the various bowel complaints incident to the season of ripe fruit, vegetables, etc. Dr. Foster's Extract of Wild Strawberry is the grand specific for those troubles.

A WORD OF EXPLANATION. The liver secretes bile to move the bowels; the kidneys secrete urine to carry off uric acid, which would poison the blood; the stomach secretes gastric juice to digest or dissolve the food, etc. Burdock blood purifier acts upon these organs and purifies the blood by cleansing all the secretions of the system.

REV. GEO. BURNFIELD, M.A., Brockville, lectures this evening on "In and About Jerusalem in 1882," in Zion Congregational church, city. Mr. Burnfield preached in Zion church last Sabbath morning and evening.

REV. ROBT. ROBERTS, well known in Collingwood, having given up his pastoral charge, is about to remove to Owen Sound and go into business in the stationery and fancy goods line. We welcome him to our town.—O. S. Times.

THE Rev. G. Bremner having lost his horse, the congregation of White Lake and Burnstown at once presented him with the liberal sum of \$150 to purchase another. Such a prompt act on the part of the people speaks well for the congregation and the harmony that exists between pastor and people; and this is only one of the many acts of kindness they have shown.

KNOX CHURCH, Hamilton, Rev. Mungo Fraser, pastor, after being thoroughly repaired and refitted is now one of the handsomest churches in the city. The re-opening services were held on Sabbath, 12th inst., when Rev. Principal MacVicar preached morning and evening, and the pastor in the afternoon. The collections amounted to the very large sum of \$601.

ANOTHER resident of East Niagara has gone to her rest in the person of Robina McKay, wife of Thomas McKay, elder of Kintore Presbyterian church, in the 77th year of her age. Mrs. McKay was a native of Cumberland; Scotland, and emigrated to this country with her husband in the year 1847, when the country in this section was almost an unbroken wilderness. The funeral took place on Thursday, the 27th ult., and was attended by a large number of friends and acquaintances.

DR. CANNON'S CATARRH CURE is no longer an experiment. No cure so far is the terms on which it is sold. Money refunded if medicine not satisfactory. Ask your Druggist about it, then buy it and take no other.

Don't use any more nauseous purgatives such as Pilsa, salts, &c. when you can get Dr. Cannon's Stomach Bitters, a medicine that moves the bowels gently, cleansing all impurities from the system, and rendering the blood pure and cool. Great Spring Medicine, 50 cents.

THIS Rev. G. Cuthbertson was inducted into the charge at Wyoming and South Plympton on 18th April, 1877. Since that period the village church has been enlarged and repainted, and the attendance has steadily increased. In the end of July last the united congregation directed their minister to take a month's holidays, recognizing that preaching three times every Sabbath with week day duties connected is a great tax on mental and physical power. Taking advantage of the absence of their minister the Plympton part of the charge overhauled and repainted their church, carpeted their platform, and carpeted and painted the vestry, making it a snug little retreat. The re-opening services took place on the 29th ult. The Rev. John McRobie preached an eloquent sermon on the Call of Zacharias, and in the afternoon Mr. Cuthbertson preached on the Abundant Entrance. Collection \$40, which, added to the proceeds of a social held on the grounds of John Dewar, Esq., makes the sum of \$100. The expenses are thus nearly fully met. Since Mr. Cuthbertson's settlement the congregation has given him a manse and twice an increase of salary.

NORTH AMERICAN LIFE ASSURANCE COMPANY.

This Company bears the mark of future greatness more distinctly on its various features than any of its competitors of equal size. It is possessed of vast importance and special advantages, and they are so well employed as to constantly augment its strength and popularity. It has at its head a man of great industry and high standing in the Dominion, the Hon. Alexander McKeen, M.P., ex-Prime Minister of Canada, whose name and character command universal confidence and respect. It is equally fortunate in having as its managing director, William McCole, Esq., F.R.S., F.S.S., Esq., an underwriter of active and untiring energy, and an accomplished mathematician, who has devoted his time, skill and talent to promote the interest of the Company, and, being assisted by a board of directors, including some of the most distinguished statesmen, financiers and business men of Toronto, the progress of the Company has, as might naturally be expected, been rapid and continuous since its organization five years ago. Last year, in spite of adverse influences and the prevailing dullness of trade, it wrote new business amounting to nearly \$2,000,000, and judging from what it has already accomplished during the last six months, it will double that sum in 1886. It is becoming a general favorite, and its popularity is founded not only on the attractiveness and liberality of its carefully matured plans, which embrace all that is advantageous and desirable in life insurance, but also on the general favor and confidence it has won by the promptness of its payments, of its freedom from the taint of litigiousness, none of the claims against it having, we believe, ever been disputed. It is receiving a handsome yearly income, and possesses ample assets of the best quality, and a proportionately large surplus above all liabilities. On account of its increasing business and need of greater accommodation, it has removed to Manning's handsome building on King Street, and has now one of the finest and best appointed business offices in the city of Toronto.—Insurance Times, New York, 1880.
