## LET US REASON TOGETHER.

## HOLLOWAY'S PILLS.

## WHY ARE WE SICK?

IT has been the lot of the human race to be weighed down by care and suffering. HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all classes, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines, and offers them to a free and enlightened people, as the greatest remedy the world ever saw for the removal of disease.

## THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

## DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally. They soon give a healthy tone to those organs, how ever much deranged, and when all other means have failed.

## GENERAL DEBILITY—ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, which have become the medicine of the masses. Learned Colleges and Physicians consider this the best remedy ever known for persons of delicate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

## FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint, and consequently no family should be without it.

Holloway's Pills are the best remedy known in the world for the following Diseases:

## ANGLEY'S ANTIBILIUS APERTENT PILLS.

The great popularity acquired by these Pills during the seven years they have been offered for sale in this Province is a convincing proof of their value, as no undue means of increasing their sale have been resorted to by putting advertisements—no certificate published respecting them.

These Pills are confidently recommended for Bilious Complaints or morbid action of the Liver, Dyspepsia, Constiveness, Headache, want of Appetite, Giddiness, and the numerous symptoms indicative of derangement of the digestive organs. Also, as a general Family Apertent. They do not contain Calomel or any mineral preparation, and are so gentle (yet effectual) in their operation that they may be taken by persons of both sexes, at any time with perfect safety. Prepared and sold Wholesale and Retail at ALNGLEY'S DRUG STORE, Hollis Street, Halifax.
