

PROSPECTUS

OF THE

Sixth Volume

OF

THE ORANGE LILY.

In presenting to the Patrons of the *Orange Lily* the Prospectus of the Sixth Volume, we have concluded to publish it in Quarto Form, beginning on the 1st of January; each number will contain sixteen pages. We have been induced to make this alteration in compliance with the repeated solicitations of many of our subscribers—and others desirous of becoming subscribers—who wish to have the *Lily* printed in such a form as would make it convenient for binding. As we have always manifested a desire to meet the wishes of our friends, when we can conveniently and consistently do so, we the more readily comply with their solicitations. To do this in the present case, we shall necessarily be put to considerable inconvenience and expense; and must, in consequence, throw ourselves upon the Brethren for a larger increase of support. To effect our purpose without inconveniencing them; and to put our Journal within the reach of all, we propose to those forming Clubs, to reduce the subscription to the following rates:—

Ten Copies to one Address, £1 7 6, or 8s. 3d. each
 Twenty Copies do., 7 10 0, or 7s. 6d. each.
 Thirty Copies do., 9 7 6, or 8s. 3d. each.
 Forty Copies do., 10 0 0, or 5s. 0d. each.

This plan, we feel assured, will induce many to subscribe who have not hitherto done so; but they must bear in mind that, unless the money accompanies the order, in no instance will any notice be taken of such order, or any paper forwarded to any such address. At the above extremely low rates, we cannot afford to tie out of our money for six or twelve months, much less send a person to collect. We have been put to too much expense and trouble in this way already, and we are determined to avoid it in future. Payment in advance is the best system for all parties concerned, and we shall adhere to it for the time to come.

The *Orange Lily* has now been five years in existence and may be said to be fairly established. When we first commenced its publication, the *Orange Institution*—of which it professes to be the organ—had no paper in Canada, or British America, devoted to its interests; nor was there any Journal in the Province to come forward and defend Orangeism against the attacks of its enemies, or refute the slanderous aspersions continually cast upon it by the Roman Catholic and Radical press of both Upper and Lower Canada. The *Orange Lily* made its appearance—it boldly occupied the vacant ground; and ever since has always battled fearlessly for the Orange cause. As an acknowledgement of our services, we received unanimous votes of thanks from two successive meetings of the Grand Lodge of British North America; that august body approving of our efforts in behalf of our noble Institution, and wishing us every success in our career.—Since our advent as an advocate of Orangeism, two or three Protestant journals have been established in different sections of the Province; not one of which, however, was exclusively devoted to the interests of the Order. To us alone the *Orange Institution* is indebted for the support it received at a period of its history in which it stood most in need of support. When it most required a defender against the attacks of its numerous enemies, we stood in the breach, and linched not from the encounter; and we glory in the pleasing recollection that we did not do so in vain. We rejoice in the gratifying contemplation that Orangeism has progressed rapidly, and is now more numerous in membership than it has ever been in this country.

We hail our Protestant contemporaries with delight as co-workers and auxiliaries in the field, and wish them in the name of God, every success.—We trust that none of them will grow weary in aiding us to "fight the good fight of faith." Never was there a time in the history of Canada which required a truly Protestant Press more than the present. Romanism is putting forth all her energies, and girding herself for the contest—determining it possible, to destroy civil and religious liberty, and annihilate Protestantism in the land. Witness the attacks of her votaries on Protestant Churches in Quebec and Montreal. Witness the slaughter of Protestants by men under the influence of a Romish Priesthood; and the more startling fact that no Romanist can be convicted in our Courts of Justice; no matter how heinous his crime or how clearly proven may be his guilt, if a fellow Romanist happens to be on the Jury he is sure to be acquitted.—Are such things to be tolerated and allowed to continue in a Protestant country? The Protestants of Canada must give the answer. They have in their
