stantly increasing market for the products of the company, the imports of Portland cement into Canada during the last fiscal year amounting to no less than one and a half million hundredweight. The new company has a strong board to direct its affairs. The president is Mr. E. W. Rathbun, president of the Rathbun Company, Deseronto; and the managing director, Mr. F. G. B. Allan, manager of the Rathbun cement works, Napanee Mills, whose success has demonstrated his ability to handle even as large an enterprise as the new company. MADE AT SHALLOW LAKE, ONTARIO

Our celebrated SAMSON BRAND has been before the public for many years, and has made hosts of friends among Contractors and Municipal Corporations until it has become one of the leading Cements on the market to day, being excelled by none. This year we have decided to place the MAGNET on the market, and respectfully ask consumers to give it a trial. It will, we think, do its own advertising.
