Francisco.**Mercantile Summary.**— Senator Anthony, of New York, finds fault
with that city because its debt is over \$130,-
000,000.— Work is now going on rapidly in the
interior of the new Windsor Hotel, Montreal,
and it is anticipated the house will be regularly
opened about the 1st of September.— The Bureau of Insurance of the State of
New York have reinstated the Royal Canadian
Insurance Company after their unwarranted
act in suspending its operations there on account
of St. John, N.B., fire.— The Montreal City and District Savings
Bank has instituted an action for \$164,135.61,
against the late Directors of the City Passenger
Railway, viz.:—Chas. Geddes, broker; Thomas
Caverhill, merchant; Thos. Tiffin, merchant;
Robert James Reekie, civil engineer, and
Andrew Wilson, publisher, being the amount
of the loans advanced to Messrs. Bond Bros.
& Forget, Montreal, upon the security of a
portion of the Company's stock. The loan was
made upon the strength of the official state-
ments issued by the officers of the Company,
which have since been shown to have been
misleading by the report of Mr. P. S. Ross.
The action is taken for the full amount
advanced with interest, the Bank tendering to
the defendants the shares in question.
