A YEAR'S TRIAL Montreal, 1868.

The Montreal Tea Company: GENTS - It is nearly a year since I purchased the Sest chest of Tea from your house. I have purchased many since, and I am pleased to inform you the Tea has in very case proved most satisfactory, as well as being exceedingly cheap. Yours very ttruly.

Montreal Tex Co: GENTLEMEN -The Tea I purchased of you in March has given great satisfaction, and the flavor of it is very fine. It is very strange, but since I have been drinking your Tea I have been quite free from heart burn, which would always pain me after breakfast. I attribute this to the purity of your Tea, and shall continue a customer.

Yours respectfully FRANCIS T. GREENE. 54 St. John Street, Montreal.

Ayer's Cathartic Pills,

For all the purposes of a Laxative Med-

Perhaps no one medi-cine is so universally re-quired by everybody as a cathartic, nor was ever

but efficient purgative Pill. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have mot, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscora to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular sation to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:

For Dyspepsia or Indigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Billious Headache, Sick Headache, Junualice or Green Sickness, Billious Colic and Billious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Goute, Gravel, Palpi-

the system. With such change those complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppiression a large dose should be taken as it produces the desired effect by sympathy.

As a Dinner Pill, take one or two Pills to pronote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derungement exists. One who feels tolerably well, often inds that a dose of these Pills makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. There are numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this Pill are known, the public no longer doubt what to employ. public no longer doubt what to employ.

Ayer's Cherry Pectoral, For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping

Probably never before in the whole history of medicine, has anything won so widely and so deaply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throut, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of Group, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled Consumption is thought incurable, still great numbers of cases where the discase seemed settled, have been completely cured, and the patient restored to sound health by the Cherry Pectoral. So complete is its mastery over the disorders of them yield to it. When nothing else could reach them, under the Cherry Pectoral they subside and disappear.

Singers and Public Speakers find great pretection from it.

Asthma is always relieved and often wholly

cured by it.

Bronchitis is generally cured by taking the Cherry Pectoral in small and frequent doses.

So generally are its virtues known that it is unnecessary to publish the certificates of them here, or do more than assure the public that its qualities are fully maintained. Prepared by
