They Put On More Insurance!

Mutual Life Policyholders last year increased the amount of their protection taking out additional policies to the amount of more than ten million dollars. They were alert business men who realized the necessity for increasing their life insurance because of the increase in the value of the necessities of life. In proportion as money loses its purchasing power we require more and more of it to maintain the same protection. Have YOU increased YOUR insurance since prices went up? The smaller the value of the dollar the more dollars we need. As a company, the Mutual does not advocate an excessive amount of insurance. At the same time every reasonable effort should be made to increase the insurance in times of inflated prices. Follow the example of 3139 Mutualists who increased their insurance last year. Put on more insurance!

POLICIES GOOD AS GOLD."

TO SPEND THE BEST YEARS

of one's life in acquiring property and leave it all in jeopardy when it might be secured by Life Insurance is, to say the least, unbusiness-like.

A sufficient Life Policy has kept intact many an estate which would otherwise have gone to ruin for want of ready cash at the right time.

The Great-West Life issues insurance on most attractive terms.
