

Knocking at the Door

Opportunity is knocking at the Fire Insurance Agent's door. The majority of people are under-insured, construction is going ahead as rapidly as conditions will permit. The agent's chief requisite in securing a share in this volume of business is the representation of an up-to-date, service-giving company.

The **FIDELITY (FIRE) UNDERWRITERS** is that company, Mr. Agent. Write our Service Department for full particulars of the advantages of our agency. Do not put it off. You are losing money with each moment of delay.
