 AETNA LIFE INS. CO'Y,
 OF HARTFORD, CONN.

(From the N. Y. Insurance Critic.)

"Every year adds to the stability and strength of the Aetna Life Ins. Co., of Hartford, and confirms its position among the best of the organizations which have carried life insurance in this country to heights of success and dignity never reached before or elsewhere."

"Time is of course a factor in all great enterprises, and becomes doubly effective when consummate ability and tireless energy make the best possible use of every working day and hour. That this is the actual situation with the Aetna Life is evident from its constant progress, and from the successes annually put on record in its statements."

"The premium receipts last year were \$3,080,946; the interest receipts, \$1,617,992; and the entire income was \$4,648,938. The gain in premiums was \$185,160. To policyholders were paid, in death claims, \$1,591,346; for matured endowments, \$688,933; in dividends and for surrendered policies, \$905,487; a total of \$2,985,766."

"The death claims were wholly paid by the interest receipts, and there remained an overplus of \$286,646 to increase policyholders dividends. The assets at the year's close were \$31,545,931, a gain of \$983,669 during 1896. The surplus, by the Connecticut and Massachusetts standard, is the magnificent sum \$5,849,870, and by the standard of New York and most other States is \$6,800,000. The gain in this element, so important for the security of the insured, was \$155,667."

"During the year there were issued 6,798 policies, insuring \$13,027,993, a gain of \$2,009,695 in new business. The increase in membership was 1,853, and the policies in force at the close of the year were 63,293, insuring \$92,264,962, and showing a gain of \$4,471,726, in amount."

"Every desirable form of policy is issued, and claims are promptly paid. During its thirty seven years' operations the Company has disbursed to policyholders \$32,666,391, for claims by death and endowments, and \$28,358,200 in dividends and for surrendered policies, making a total of \$61,024,491. These streams of beneficence have flowed widely over the fairest portions of this North American Continent, and carried solace and relief to many stricken households."

"Yearly becoming more powerful for this commendable, important, and necessary work, the AETNA LIFE will continue to earn the gratitude of increasing thousands. President Morgan C. Bulkeley, Mayor of Hartford, and popular for his efficient management of civic affairs, is highly esteemed for his approved skill and large ability as head of the company, while vice-president J. C. Webster, secretary J. L. English, and their associates in various spheres of duty, are effectively contributing to this remarkable prosperity."

IN CANADA

The business transacted shows a fine increase over that of the previous year. The new insurance taken and paid for in 1894 was \$1,650,117. In 1895 it was \$2,056,764. But during 1896 it grew to the handsome sum of \$2,222,274, bringing the whole amount of Aetna Policies in force in the Dominion up to \$17,004,560.

The Premium Income in Canada in 1896 was \$658,819, out of which the Company paid for the year's death losses, \$147,393; for Matured endowments, \$51,411; and for cash profits to living policyholders, \$97,016. In addition to these payments it has just forwarded \$301,000 to Ottawa, to increase its deposit with the Dominion Government, rendering the value of its whole Canadian Deposit about \$1,750,000.
