Mercantile Summary.

FROM New Brunswick the saw-milling firm
of Steeves & Colpitts, of Elgin, are reported
failed, and B. Atherton of the city of Frederic-
ton, a retail grocer, has made an assignment.THE telegraph lines in Nova Scotia belonging
to the Anglo-American Company, as well as
their cables to Newfoundland have been trans-
ferred to the Western Union Telegraph Co.WE REGRET to hear of the destruction by fire
of the large tannery at Three Mile Creek, the
property of John Logan, Esq., of Pictou, N.S.,
whose leather is not only famous about home,
but known and used in Ontario and Quebec.THE assessment roll of London, Ontario, for
the present year shows a total of \$8,092,660, an
increase of \$433,570 over the previous year.
Stratford, Ont., also shows an increase in the
assessment amounting to \$202,465, making a
total for the past year of \$1,829,940.THE retirement from business is announced
of Mr. Alexander Urquhart, of Montreal, for
the last quarter of a century a well-known
wholesale merchant whose trade sales were fea-
tures of the season. The business is carried on
by his successors, the old name being retained.THE STEAMER Glendon, formerly plying be-
tween St. John and Boston has been purchased
by the Dominion Government to look after our
fishing interests in the Gulf and on the banks
of Newfoundland, in place of the condemned
Canadienne.THE TIMBER market in Britain is not at pre-
sent very promising. A British circular for
April says: "We cannot calculate on last year's
enormous consumption being repeated, and we
cannot too strongly impress upon importers the
need for keeping shipments within a moderate
compass." A Glasgow firm circular of first ult.,
is similar in tenor and concludes, "last month
has been notable in the trade for the frequency
of auction sales, often at low price. Our deal-
ers are all determined to reduce their stock."
