WEAR THE BURT & PACKARD

See that every pair is stamped The Burt & Packard. "Korrek Shape."

Don't permit any substitute for the "Korrek Shape," as we have arranged to supply any one in the United States who can not get these goods of our agents, and prepay all delivery charges thus bringing them to your door without extra cost.

THE BURT & PACKARD "Korrek Shape" Shoes are made in four grades, and each grade, viz., are Hand-made, Hand-welt, Burtwelt and Machine Sewed, and is stamped on the sole in addition to our trade-mark above. This trade-mark—showing the foot in a natural position within a shoe, and also the words "Korrek Shape," is fully covered under the Patent laws, and we shall be glad of any information where dealers are making use of either of these designs in the hope of deceiving the public.

Our agents should carry all styles in Congress, Button and Ball, for Gents, Boys and Youths.

All information concerning our different styles, kinds of stock how to obtain these goods, etc., forwarded by simply naming this publication, with your address in full.
