Macmillan & Co's New Novels.

Now Ready.

New Novel, by the Author of "Esther Waters," "Mamma's Wife," etc.

Celibates.

By GEORGE MOORE. 12mo, cloth, \$1.50.

"Mr. Moore has greatly improved in his art, since 'The Mummer's Wife' and 'Esther Waters.' These three stories deal with some of the actualities of life, but not grossly as to intention, not with a willingness to corrupt people; rather with a desire to lift them up and purify the perceptions of the average person. Mr. Moore's art in the description of nature which he introduces in landscape and atmospheric effect, and of persons is very subtle; he brings out his ideas well in each story, with wonderful imaginative writing."—*New York Herald.*
