

**determine its conformity with the *Canadian Charter of Rights and Freedoms*; its effectiveness in achieving its stated purpose; and its impact on older Canadians.**

---

### **C. Guardianship Legislation**

**The Committee recommends:**

- 29. That the Minister of State for Seniors and the Minister of Justice consult with the provinces and territories on guardianship legislation and ways to strengthen the rights of seniors.**

## **VIII EVALUATING WHAT WORKS**

**The Committee recommends:**

- 30. That the federal government establish mechanisms to ensure that any project involving federal funds include a separate and sufficient amount for evaluations of effectiveness of educational, health, social and legal interventions relating to abuse of the elderly.**
- 31. That the federal government provide guidance on appropriate evaluation methods for different interventions.**
- 32. That annual progress reports on the results of all evaluations, positive and negative, carried out on any federally funded projects be made public.**
