

S.O. 43

sal child allowances are our most precious natural resources; given the fact that Canadian mothers whom the Conservatives say they want to support lost 2,000 places in daycare centres last year, and that universal family allowances are the tool of a unique family policy by the federal government, I move, seconded by the hon. member for Cape Breton Highlands-Canso (Mr. MacEachen):

That the House request a vote of confidence against the government for the concerns it has created among Canadian mothers.

Mr. Speaker: Pursuant to Standing Order 43, this motion requires the unanimous consent of the House. Is there unanimous consent?

Mr. Ed Lumley (Stormont-Dundas): Mr. Speaker, I wish to move a motion of urgent and pressing necessity, under Standing Order 43.
