<u>Publications</u>	2,200.00	\$600.00	<u>2,800.00</u>
			<u>\$69,640.00</u>

Publication:

The results of this study will be published by the University of Nanking. It is desirable that there be one general publication dealing with the study in all of its various aspects. The more specialized information on population will probably be made available as a separate study. Publication in Chinese can probably be effected through the Commercial Press on a commercial basis.
