C. N. R. TRAIN BROKE RECORD IN ROCKIES

Senator Casgrain Thinks Performance Without Parallel on Continent.

MANY COMPLIMENTS W. S. Middlebro Said Fine Condition of Road Was a Revelation.

By a Staff Reporter. NEW WESTMINSTER, B.C., Oct. 20.—The parliamentary and press appreciation train which inaugurated the transcontinental line of the Canadian Northern Railway System, left Vancouver on its return trip for the east at three o'clock this afternoon.

A banquet was tendered the party at Vancouver Hotel by the board of trade and allied organizations. H. H. Stevens, M.P. for Vancouver, presented an address of welcome and congratulatory address to Sir Wm. Mackenzie Bowden, Senator Casgrain, W. S. Middlebro, M.P. for North Grey, and F. E. Carvell, M.P. for Carleton.

C. N. R. Broke Records. Senator Casgrain said that the Canadian Northern had broken all records on the American continent by hauling a 1200 ton train with one engine over the summit of the Rocky Mountains at forty miles an hour.

Mr. Middlebro said that when the bill for the assistance to the Canadian Northern came before parliament a year ago, he was somewhat sceptical about the enterprise, but his recent trip over the system has convinced him that Mackenzie and Mann were doing a great work and binding eastern and western Canada closer together. The excellent condition of the road had far surpassed his expectations.
