

## PREFACE

The Editors of the 1920 Cheer Book, in presenting this book to the student body, hope that it will prove acceptable to the students and that it will prove to be of assistance in the games. An attempt has been made to include yells representative of all Faculties and suitable for all occasions.

The executive, however, wish to apologize for the lack of original and new material in this book. The Rooters' Club at present have been unable to decide on any original university song which is of sufficient merit to be adopted for the University.

In thanking the students who have contributed to this book, the editors also wish to make special reference to the Khaki College Cheer Book from which the yells of the Canadian universities were taken.

The Editors.
