Cigars. terrible force of the explosion and the intense heat of the flames which overcame Mrs. Backensten, and so severely injured the others on board. Not a vestige remains of the engine; the whole deckhouse has disappeared. The bulwarks and stanchions are also badly charred amidships, while the mainmast received a severe scorching.

Most of the deck beams and planking will have to be renewed, and many of the other fittings will need repairs. The Sitarah will be towed to Oakville to-day and turned over to James Andrew, well-known as the builder of Crusader and other racing yachts. He is to repair and partially rebuild the Jarvis boat, and the work will proboccupy the greater part of a month, costing in the neighborhood of
