FAILURE.

does not come forward man of the Washington treaty. fully and admit that for the last 12 years it has been pursuing a fool policy in advocating closer trade relations with the United States. On the contrary it at. United States. But the Conservative ly on two grounds, firstly because there was evidence to justify the belief that reciprocity and free trade was the policy of the United States and, secondly, because of the United States and, secondly, because perity and very existence depended upon the Conservative party itself leaned to- its leaning upon the United States. Sir wards reciprocity and failed, when it was John Macdonald took a dignified course on n power, to institute a policy of retalia- this question. He placed in the statutes tion against the United States. Even if a notice to the effect that Canada was the statement made in the second plea ready to negotiate a reciprocity treaty were true it would be no justification of with the United States in certain specified policy. But the statement is not true in to do the same. There was no importunity hand than many people think. fact. The Globe's attempt to connect the in this, no confession of national weakness Conservative party with the agitation for and despair. Never was it necessary for reciprocity only discloses a pitiable con- a Conservative leader to break loose from two parties were practically a unit on the ciprocity policies of the two parties as bewas possible during the early part of the WHERE "FRIENDLY RELATIONS" In support of its theory that reciprocity agitation, The Globe states that Mr. Blaine, the leader of the Republican party of the United States, was an advocate of eciprocity and an opponent of the protectionism of McKinley. It may be true that Mr. Blaine was not as rabid a protectionist as President McKinley, but that to mention the press, will be duly opened to no doubt. As to his being favorable to realliance. Not that we wish to deprecate ciprocity that statement is true, but Mr. the advantages of such an alliance, but we Blaine's idea of reciprocity was altogether take this opportunity of pointing out to that 87 per cent. of the importations into basis of "friendly relations" between the American States were free of duty while and hides, articles which the United States did not itself produce, and which it therefore found to be in its interests to admit free of duty. To induce these countries to take off or reduce the duties on the manufactured products of the United States and in many other quarters of the manufactured products of the United States in exchange for a concession which they already enjoyed was a masterpiece of statesmanship and for this Mr. Blaine is entitled to the credit. But Mr. Blaine is entitled states and the United States and the United States are prepared to join hands with Great Britain in maintaining an open door in China, in Africa, and in many other quarters of the world where the commercial spirit of the two countries is seeking new channels for trade. But, when it comes to be an issue during the year. Altogether, the different should be gratified that the efficient president, Dr. Larratt W. Smith, has been re-elected. The company has

Carey:

12. That while providing revenue for the support of the general Governments by duties from imports, sound policy requires such an adjustment of these imports as to encourage the development of the industrial interests of the country, and we commend the policy of national exchange which secures to the workingman liberal wages, to agriculture remunerative prices, to mechanics and manufacturers an adequate reward for their skill, labor and enterprise, and to the nation commercial prosperity and independence.

Not a little of the animosity that existed who suffers from weakness and disease of the distinctly feminine organs, whether she realizes it or not, is being slowly but surely tortured to death. She suffers almost continually with sick headache. She has pains in the back, what she calls "stitches" in the side and shooting pains everywhere. She experiences burning and dragging down sensations. She becomes weak, nervous and despondent. She neglects her home, and is petulant with her husband. If she consults the average physician, there is not consults the average physician, there is not one chance in ten that he will hit upon the real cause of her trouble. He will attribute her bad feelings to stomach, liver, heart or nervous trouble. A woman in this condi-tion should consult some eminent and skillful specialist who has had a wide experience. Dr. R. V. Pierce, for thirty years protectionist up to the present day. This break was in 1894, when the Wilson tariff was passed. But the Wilson bill was anything but a free trade measure. The average rate of duty was a great deal higher than that of the most protectionist tariff that Canada has ever seen. That the Wilson tariff was but a passing whim of President Cleveland is evident from the summary manner in which it was kicked out when the voice of the people was first heard. After a couple of years' trial the Wilson tariff was replaced by the

en into healthy, happy wives and mothers. "I was an invalid for over a year with change of life." writes Mrs. C. Smith, of Orr. Cascade Co. Mont. "Had pains across the pit of my stomach and such extreme weakness I could hardly walk. I took one bottle of Dr. Pierce's Golden Medical Discovery and five of his 'Pavorite Prescription' and am entirely well."

SIRRAH, THE SEER.

A New York journal a year ago offered a prize for the best forecast of current year events. The World does not give prizes not even allows the paper on trial for nothing for three months, but suggests the following as likely happenings:

1. The "new" City Hall will be finished. (Life please copy.)

2. Chancellor Mulock, on Aug. 1, will sell Canadian rights for the "Vaster" stamp to a circus, for poster use.

3. Chairman Burns will go to the Klondike and write home descriptive letters.

Hon. A. S. Hardy will call a special summer session (revised edition) for the purpose of determining the question. "Have citizens a right to sit?" He will change his policy and leave it to the courts, and citizens will sit.

5. Tampa cadets will begin to study. Horseless carriages will be given away with five pounds of tea. five pounds of tea.

6. On Aug. 31 steps will be taken by Canada to find out how far she is responsible for the action of the recent Canadian Commission, and also why the silver eloquence gave out.

7. Many gold scekers will go forth, but will find no gold. They will come home and lecture, however, and become wealthy,

8. U. S. will finally exterminate Filipinos.

9. Dreyfus will be assess nated.

o. Dreyfus will be assass nated.

10. The same sun will shine. Parry Sound, Feb. 24.—The 7-year-old son of John Chappel got hold of his mother's or John Chapper got hold of his mother's selssors and was running across the room with them in his hand when he tripped and fell on the points. The two points entered him chest and sunk about an inch into he fiesh, causing the blood to flow frightfully, and leaving two nasty gashes. The child is very weak from the loss of blood.

Moscow, Feb. 24.—The Sultan of Turkey has just contracted with M. Boudarewsky, the great Bussian horse-breeder, for the supply of 45,000 cavalry horses.

Hope Congregational Church revival services closed last night. The Rev. Frank G. Forster preached an eloquent sermon. The speaker dealt with the importance of time and necessity of decision of character. During the evening Miss Rose and Mr. and Mrs. McCoy sang several solos.
