

Nazareth Street Mission.

Once more we are face to face with the fact that another year has flown, with its many opportunities, its discouragements, its joys.

In presenting this annual report, it is with a feeling of devout thankfulness to the Giver of all good, for the measure of success that has attended the labours of the past year. Truly it is, "not by might nor power, but by My spirit, saith the Lord."

The history of the past year does not call for lengthened comment. The Sabbath evening services have been held regularly all the year; the attendance has slightly increased in number, and there has been deepening of interest.

The weekly prayer meeting has been held regularly during the entire year, and the attendance as a whole has been better than in the preceding year. The monthly missionary meeting has been kept up with increasing interest. Addresses have been given and missionary papers read from time to time regarding the different mission fields of the Church. About twenty dollars have been raised by the mission band, and distributed for charitable and missionary purposes.

The work of visiting from house to house has been kept up, when tracts, papers, and portions of Scripture have been distributed, the word of God read in the homes, and prayer offered from time to time. Also the work of visiting the sick, in their homes, and in the Hospitals, has occupied a considerable portion of the time.

There has been a good deal of sickness during the year, with five deaths, three of whom were women and the others infants. All of the three women bore bright testimony that it was well with their souls.

Relief has been rendered in many cases to the deserving poor.

During the year some have taken a decided stand, and have cast in their lot with God's people, while others are seeking for the light.
