WON BY A FOUL.

New York, April 12.-Oscar Gardner, the "Omaha Kid," got the decision last night at the Lenox Athletic Club over Billy O'Donnel, of Memphis, on a foul in the sixth round. They were matched for 25 rounds, but the bout began with clinching and hugging, and this was kept up throughout. In the sixth the "Kid" secured a clean knock-down by a right on the jaw. Gardner said that O'Donnell was butting. O'Donnell soon after clinched on the ropes, and did some rough work, whereupon the referee stopped the bout and gave the decision to Gardner on a foul. Because the Means of Curing Themselves Lies in Their Own Hands-Dodd's Dyspepsia Tablets Will Cure Them Thoroughly.

No person would expect an odor of roses to rise from a heap of decaying refuse.

No more would any thinking person expect to have a pure breath unless the stomach and other digestive organs

are in perfect condition. When the digestive system is working properly, the food is digested, carried out of the stomach, and taken into the blood, the waste matter being thrown out of the body, without

loss of time. When the digestive organs are not working properly, the food remains in the stomach, till it begins to decom-

gas is formed. This rises to the mouth, when a person is said to "belch wind." Everyone knows how disagreeable this condition is.

There is one way of remedying it. That is by preventing the formation of gas in the stomach. That means that the food must not be allowed to remain in the stomach long enough to decompose. That again means that the food must be digested promptly and thoroughly.

Now if you take one or two of Dodd's Dyspepsia Tablets after each meal, you need not rely on your stomach to digest your food. The tablets will do it promptly and perfectly, without as-While they are doing this work, the stomach is resting and regaining strength and vigor. It is also receiving strength from the Tablets. By the time two or three boxes of Dodd's Dyspepsia Tablets have been used the stomach is completely restored to health, and there is no danger of either Dyspepsia, Indigestion, Wind or Gas on the stomach, nor any other disease of the digestive organs.

born in the Pierce Hill Barracks, near Edinburgh, in March, 1820. His father was a sergeant-major in the Scots He developed a remarkable ability in draughts when a mere boy, and when he was 15 years old he had beaten everybody who could be induced to play the game with him. He went to Edinburgh, and there won 59 out of 60 games played with a local champion. This was the real beginning of his fame as a player, and it was not long before all Scotland knew of him. He was called the "Herd Laddie" when a boy, and this title clung to him through life, although he had never been a shepherd. Wylie's fame was increased by a number of matches with Prof. Andrew Anderson, Robert Martins and other celebrated players. For many years Wylie traveled about peddling matches and playing draughts for a "shullen" a game. He came to America in 1873, and played more than 11,000 games of checkers, of which he lost less than 50. In 1881 he made another tour of this continent, and won 17,654 out of 19,517 games, drawing 1,754 and losing only 109. He charged 25 cents a game for the privilege of playing with him. He also made tours of England and Australia. Wylie claimed the title of

NOTES OF SPORT. Bert Myers has refused to sign with

Indianapolis and may join the Springfield team in the Eastern League.

The balk rule is bothering the pitchers. Griffin, Callahan and Rip Egan all made balks in the Sunday game at Kansas City, and Rusie made one mis-

take at Indianapolis. The claim is made that Cuba is incapable of self-government because its people are divided into factions that prefer selfish success to the good of their country. The same inter and suicidal policy obtains in the National

League.—Sporting News.

Manning's new shortstop, Raymer, played nice ball in the Sunday game against Chicago, and it is believed that he will fill the vacancy caused by Connaughton's desertion without weakening the team in the least. The Chicago

team won the game 20 to 12. Big Jim Jeffries has broken the record for heavyweights. He is in Chicago and refuses to talk. He will not even say how long it will take him to crack Fitz's skull or stave in a few of his ribs. This is really unbecoming a champion, as Corbett and others have agreed that men in their class must

talk often and fast.

Here is the Buffalo team according to Manager Nash: Pitchers, Amole, Gray, Daub, Mitchell and Lee; catchers, Mc-Cauley, Nelson and Diggins; first base, Massey; second base, McQuade; third base and shortstop, Nash, Eustace and Greminger; right field, Householder; center field, Garry; left field, White. Nash also has Pickering for the outfield. White has refused to sign.
