### Note and Comment

Willetts pitched winning ball for Detroit in the third of the series for the world's championship. He went in when the game was lost, and was taken out when he had it almost won, because Manager-Jennings desired to use a pinch hitter, who struck out. It was a cold, wet day, that had pneumonia in the atmosphere. Toronto had its delegation in the grand stand, including McCaffery, Mulqueen and Barrow. And how they would warm up on returning to the hotel after the game!

The line, however, while far from weak, can be improved in one or two places.

Umpire Klem, who was not scheduled to work to-day, was sent out along the right field foul line to watch the hits into the crowd and act ha an advisory capacity to the other two umpires.

The first innings was a weird spectacle for the local enthusiasts. Byrne opened up by beating out a hit along the third base line and went to third when Leach singled to centre. Clarke sent a grounder to Simpler to Shmidt to Bush. Leach went to third and home, Summers to Moriarty to Schmidt to Bush. Leach went to third and Clarke to second during the chase. Wagner's hit was too hot for Bush, and it rolled to left field, while Leach and Clarke scored. Wagner stole second, went to third on Schmidt's bad in the chase. Wagner's hit was too hot for t

Central Novice League.

The opening of the Central Novice Bowling League was held on the Brunswick Alleys last night. Hon. President Wm. McMillan and Hon. Vice-President Frank Johnston started the game Zeinz by rolling the first balls down the alleys. The opening game, between the Brunswicks and G Co., Royal Grenadiers, resulted in a win for G Co., R.G., two out of three, after an exciting time. In spite of the fact that the Central Bowling League is a purely novice one, the foul line judge only used the bell once during the night, the boys keeping off the line as well, as many veterans. A plano player enlivened the sevening with appropriate selections. D Co., Royal Grenadiers, and Biackhall & Co.'s Colts are scheduled for to-night. The following are the scores for last night's game, Hancock of R. G. being high for the night, with 471:
