BETTING IN MUTUELS GUARANTEES RACING

New York Jockey Club Behind the State Commission Recommendation.

New York, Jan. 26.—The fact that the State Racing Commission, in the fulfillment of its duties, has seen fit to make a plea for the pari-mutuel system of betting in relation to the sport of horse racing, is almost conclusive proof that it has the individual support of many members of the Jockey Club and others who are interested in the development of the breeding industry. While the Jockey Club is in a position similar to that of the Jockey Club of England relative to the sponsorship of the system and its advocacy to the government, it is generally considered that, if the legislative solons view the recommendations with favor a movement will have been put under way which may do much to further the interests of nearly all concerned with the sport at the present time and open up a means to an end of guaranteeing that racing will not be interfered with by opponents of the sport.

POUGHKEEPSIE REGATTA DATES.

New York, Jan. 26.—The Inter-College Rowing Association makes the announcement that the Poughkeepsie regatta this year will be held on Thursday, June 21, and next year on Tuesday, June 25.

Altho the distance has never been short of four miles, excepting in 1898 at Saratoga Lake, there is likelihood of a short-er course being adopted before long, even if the idea is not arranged this season.

Should a three-mile race be decided upon it would be expected that Princeton might join the ranks of the Hudson River crews.

It was arranged to start the races this year as follows:

Junior varsity at 4.15, the freshmen at 5 o'clock, and the varsity at 6.15.

The members of the board present at the meeting were Charles Halstead Mapes, Columbia, chairman; Charles E. Treman, Cornell, and E. Howard Eisenberg, Penne.

FIRST CURVE PITCHER DEAD.

Special to The Toronto World.

Kingston, Ont., Jan. 26.—Pat Harte, aged 43, in his younger days one of the best amateur ball players in eastern Ontario, is dead. He was celebrated as a pitcher, being the first to introduce a curve in a game in Kingston.

ALAS! BILL BINGHAM HAS RETIRED.

Boston, Jan. 26.—Bill Bingham, the great runner of the Boston A.A., has retired. He graduated from Harvard last spring, where he was the star of the track team for three years, and for four years previous he was Exeter's best runner. He was only two and a half yards behind Ted. Meredith when the latter won that great half mile race at the Intercollegiates last spring, and at the finish of that race announced his retirement, but Coach Brown of the Boston A.A. managed to get him to promise to help him out for a while. Brown said today that he thought nothing could make Bingham don track shoes again.

To Legalize Betting On Harness Races In State of Michigan

Lansing, Mich., Jan. 26.—The Woods Racing Bill, prohibiting the publication of all horse race results and entries from tracks where betting is permitted, will be supplanted by a substitute prepared in Attorney-General Grosebeck's office at the request of both Representative Woods and the committee in charge of the bill.

The substitute will exempt harness racing, legally conducted, from the operation of the bill, and thus will exempt the Michigan trotting and pacing circuit meetings, the Detroit, Kalamazoo and Grand Rapids Grand Circuit meets, and other harness meetings held in the smaller towns.

The aim is to cripple the handbook'ng industry in Detroit and other cities of the state, which, tho prohibited by existing laws, flourishes without any serious interference on the part of the local police authorities. As a practical measure, it is said the handbooks do not depend on the newspapers for their information, but have their own means of securing and distributing such news.
