

STOCKS RECOVER FROM WEAKNESS

Depressing Effect of Peace Rumors Speedily Passes Away.

REGAIN MOST GROUND

Issues, Which Receded, Rally to Former Levels in Afternoon.

New York, Oct. 8.—The rumors circulated late Friday regarding impending peace overtures by the central powers, lost their effect on Saturday's stock market. The market experienced another slight rally in the first of today's two-hour session, but more than made up any loss ground, closing with a strong upturn and numerous issues at their former levels.

WHEAT SWINGS UP ON BRISBANE DEMAND

Denial of Peace Rumors Strongly Influences Market at Chicago.

ARGENTINE CROP BAD

No Rain Falls—Quotations Sharply Advance at Buenos Ayres.

Chicago, Oct. 8.—Wheat prices took an upward swing, influenced chiefly by emphatic official denials that Ambassador Gerard's visit to the U. S. had anything to do with peace proposals. The market closed strong, 1 1/2 to 1 3/4 higher. Oats finished unchanged to a shade lower and provisions unchanged to 3/16c.

VERY DULL DAY ON THE FRUIT MARKET

Shipments of Peaches Fairly Heavy, But Bulk Poor Quality.

GRAPES STATIONARY

Plums Offered in Small Quantities—Vegetables Continue Scarce.

Saturday was a very dull day on the wholesale fruit market, more especially in the afternoon, when business almost came to a standstill. Grapes were offered in heavily and remained about stationary in price.
