New Covers For Old

Expert Re-upholstery Renews the Life and Enhances the Charm of Favorite Furniture

The long bitter winter has made its demands upon the Chesterfields and the big cushioned rockers. They have perhaps been used over-much of evenings. Examination shows the surface worn in spots, the upholstery dulled, the furniture "old" in appearance. Do you know what a new grip on life a new suit of upholstery will give a favorite old arm chair? It extends its days.

The re-covering of chairs, chesterfields and lounges, etc., is a very important branch of our Drapery Department. If you do not know the excellent workmanship of our expert upholsterers, we suggest a trial order of a piece or two of your furniture that is the worse for wear.

We guarantee satisfaction. Phone Main 7841, Drapery Department, for our man to call and give estimate.

Rugs From the Far East

Fascinating Color Combinations and Weaves Reflecting Fine Art Inspirations

Real authentic Oriental rugs—wonderful in their quaint designs. Rich with colorings and weavings—just as much at home in the Occident as in the Orient. They are the wonderful expression of the exquisite art of the Eastern Peoples. The collection contains rugs from India, Asia Minor and the Caucasian Mountains, or, if you prefer, you may choose to walk on the reproductions of Kirmanshah, Akbar, Kazak, and a large number of equally fascinating weaves of British manufacture.

Persian Designs

Especially attractive, too, are the Wilton weaves, in excellent reproductions of Persian designs, showing the large medallion effects and small all-over patterns. All of the rich colorings, which add so materially to the charm of the real Persian rug, have been very cleverly imitated in these. Wide variety in sizes to fit almost any requirement. Priced at \$86.50 to \$132.00.

Hearth Rugs

So charming do they look in front of an inviting fireplace or in the alcove of a bay window. These are extremely successful reproductions of Anatolian designs in super Wilton weaves. They have extra deep pile. 27 x 54 inches wide 17.50
