MANUFACTURERS AND AGENTS FOR

**All kinds of Parquet Floors, Wooden Carpeting & Fancy Wainscots**

THE Wooden Carpeting has proved by its durability that it is the cheapest covering for Kitchens, Offices, Stores, Banks, Halls, Laundries, School, Dining and Sitting Rooms, or Border for Drawing Rooms, and where care is taken it can be made to look nice as long as it lasts, which in Private Houses would be as long as an ordinary HARD WOOD FLOOR, or at least ten times as long as the best ENGLISH OIL CLOTH. The great advantage of these Floors is that they are Insect and Dust-proof, can be laid over any Floor without disturbing the arrangements of the Room materially, such as the Door Sills, Hearth-stones, or Register. Being but  $\frac{1}{4}$  inch thick, the wood is glued on Heavy Cotton Drill, which is manufactured by the NATIONAL WOOD MANUFACTURING CO'Y., N. Y., and can be shipped to any point, as it is portable and rolls up like Oil Cloth. We will lay the Plain Floor complete for 25 cents per yard. We furnish New Elaborate Styles with Fancy Borders, Initials, Monograms, Inscriptions on Centre Pieces, and Wainscots for Walls of all kinds. We will furnish Designs and make estimates, and show Floors laid in Montreal in all styles. We make Parquet Floors from  $\frac{1}{4}$  inch thick to 1 inch, at from 40 cts. to \$1.00 per square foot, finished.
