

## Sabbath School Report, 1892.

In presenting this, the Annual Report, while we regret that the average attendance is not as good as in 1891, we have reason to be thankful that there are still the same number of scholars enrolled; and though a large number of teachers and scholars have left us others have been found to fill their places.

The collections for Missions also are considerably in advance of the previous year, as will be shown later in this report.

There are eighteen classes in the School this year (two less than last year) and are as follows: one Young Ladies' Bible Class, eight boys' and eight girls' classes, and the Infant Class.

### COMPARATIVE STATEMENT OF ATTENDANCE.

	Teachers and Officers.	Scholars.	Total.
On roll Jan. 1st, 1892.....	26	190	216
“ “ 1893.....	26	190	216
Average attendance, 1891.....	22	130	152
“ “ 1892.....	22	112	134

The names of five teachers and officers were added to the roll, and the number struck off was five, leaving the staff complete; while of scholars the large number of thirty-seven was added, and curiously enough the same number was removed. Of these latter, one has joined the teaching staff, another, little Tommy Irwin, was taken away by death, much regretted by all, and the balance have mostly left this district.

It will be seen from the foregoing statistics that the children do not attend as regularly as they might, and in view of the fact we would take this opportunity to urge upon the parents the necessity of seeing that their children are regular in attendance and have their lessons well prepared. In
