....For the Treatment of

**ALCOHOLIC
DISEASE**

Morphine and Tobacco Habits,

....AND....

Neurasthenia, or

Nerve Exhaustion.

• • • • •

The Toronto Institute, 253 Wellesley Street, is under the management of Mr. WM. HAY, and the superintendence of a properly qualified Physician.

The premises are commodious and comfortable.

By this treatment the appetite for Alcoholic Liquors is destroyed in three or four days, and the patient in ordinary cases is restored to a normal condition in three weeks.

References (by permission) to a Number of well known Citizens
who have been Cured.

CORRESPONDENCE STRICTLY CONFIDENTIAL.

PATIENTS TREATED AT THEIR HOMES IF NECESSARY.
