A Hint For Others.

On his way to spend the evening at the home of a friend, the young man had purchased an alarm clock. He left the parcel in the hall when he entered. One of the young ladies of the family, learning what it was, quietly removed the wrappings, wound up the clock and set it for midnight. It was late when the caller left and he was hurrying home with the parcel under his arm when—b-r-r-r-r went the alarm. It would have taken too long to unwrap the parcel to stop the ringing so he let it go and, as he passed some other belated pedestrians, he heard one of them remark:

"Well, I often have heard of sleep walkers, but this is the first time I ever knew one to have the forethought to carry his alarm clock with him."

in England.

As will be seen in the treasurer's report, many donations have been given to various patriotic funds, including the Blue Cross fund, St. Dunstan's Hospital for blind soldiers, Patriotic Fund, Rotary Club, Sailors' Relief Fund, Soldiers' Club fund, etc.

Our August meeting was made a sock day and as a result 160 pairs of socks were sent to Col. Beer at Valcartier for his distribution. Some of the members also helped in the patriotic collecting August 4, in King Square.

At the patriotic Labor Day Fair we assisted by taking charge of the Lucky Star booth. We have also assisted other patriotic societies in their co-operative undertakings, such as giving a practical welcome to the battalions that have come here, by taking charge of the Soldiers' Club canteen for a week and providing a gramaphone for the returned soldiers' depot.
