

TWO RUGBY FOOTBALL TITLES IN BALANCE THIS AFTERNOON

SCHOOL FINAL ON SATURDAY IS LIKELY NOW College Entries Expected Maritime Indoor Meet At Arena Here

U.N.B. Favored to Beat Nova Scotia Tech Today

ONE rugby football title will be decided this afternoon, while another will be in the balance when University of New Brunswick meets Nova Scotia Technical at Sackville in the final of the Maritime inter-collegiate title and Newcastle High School is guest of Fredericton High at Fredericton in the semi-final for the New Brunswick school title. The U. N. B. outfit is highly favored to win at Sackville and the Fredericton school entry should have little trouble with the invaders from the North.

OFF TO MONTREAL

Following the Sackville game, U. N. B. returns to Fredericton and on Friday afternoon leaves for Montreal to play the Montreal Rugby Club fifteen for the MacTier Cup. On the same day at Fredericton it is quite likely the New Brunswick school title will be decided between Mount Allison Academy and Fredericton High, provided P. H. S. wins today. W. E. Stirling, vice-president of the M. P. B., who is handling the school play-off, says that Mount A. has intimidated its willingness to go to the capital for the final game.

FRIDAY, THE 13TH

The annual meeting of the colleges this fall set this coming Friday as the tentative date for the inter-sectional play-off, but superstitious aroused by this supposedly unlucky combination—Friday, the thirteenth—caused the boys to go easy and N. S. Tech suggested Thursday. U. N. B. asked for Wednesday to give them a day's breathing spell before going to Montreal. To this, N. S. Tech acceded.

Respecting U. N. B. chances, the sport writer on the Fredericton Gleamer says: "Despite the strenuous kind of a game it was, U. N. B. players came out of their match with Dalhousie University on Saturday in pretty good physical condition and with a lot of knowledge of rugby they had had no previous opportunity of acquiring, so the experience should do them a lot of good. They admit the Tigers turned loose a style of football they had not previously encountered and they know their own play was away below par until the closing fifteen minutes of the game. However, U. N. B. are now confident they could tie the knots in the Tiger's tail if they got another chance, and especially if there was strict enforcement of rules. They are determined to play a contest of regulation length instead of an abbreviated affair such as somebody was inveigled into accepting on Saturday. When actual play commenced seventeen minutes less than prescribed by the rules of English rugby."

LOCAL CURLERS IN ANNUAL SESSION

H. B. Crouse Heads Carleton and F. W. Coombs President of St. Andrews

The annual meeting of St. Andrews Curling Club was held last night in their rooms in Charlotte street. The reports received showed the club to be in a good financial condition although the season of 1925 was very short. The following officers were elected: President, H. B. Crouse; vice-president, S. A. Jones; secretary-treasurer, C. H. Ferguson. Directors, W. A. Stewart, H. C. Simmons, F. M. Maunsell, C. H. McDonald, R. M. Robertson. The president with C. F. Sanford and H. C. Simmons were appointed delegates to attend the annual meeting of the New Brunswick Branch of the Royal Caledonia Curling Club to be held at Moncton on Dec. 10.

At the annual meeting of the Carleton Curling Club held in the rink last night. Reports showed the club to be in good condition and with prospects for an increased membership this year. Dr. R. M. Pendrigh retired as president of the club and the chaplain, James Scott, was elected a life member. The secretary's report showed the club had been most successful last season and had captured the Blair Cup in the provincial bonspiel, curled at Moncton. The following officers were elected: Honorary president, Hon. J. B. M. Baxter; president, Harold B. Crouse; vice-president, C. O. Morris; secretary-treasurer, T. L. Webb; chaplain, James Scott; managing committee, Dr. Pendrigh, George W. J. Scott and F. S. Tilton; match committee, Charles E. Driscoll, Charles O. Morris, Sam Irons and George W. J. Scott; ice committee, William Haslam, Charles O. Morris was chosen a delegate to the New Brunswick Branch of the Royal Caledonia Club annual meeting to be held at Moncton on Dec. 10.

NATIONAL TOURNEY Drive to Start For Deciding State Pocket Billiard Champions

NEW YORK, Nov. 10.—A nationwide drive, which will result in the crowning of a pocket billiard champion in every state in the United States, will be launched shortly, according to an announcement made by W. V. Thompson, secretary of the National Billiard Association of America. Following the finals in all state tournaments, elimination matches among the 48 state champions will be held until the field is reduced to six, and the survivors will be known as interstate champions. The six then will meet in a special round robin tournament, and the winner will be recognized as the national professional pocket billiard champion.

Along The Sport Trail

By JOHN A. DUNLOP.

TWO WINS and several losses, some of them rather crushing, is the 1925 record for the Trojans A. C. on the gridiron but in the matter of keeping things moving, the hustling young club bats around the 1,000 mark. Through their energy, rugby football fans in this city have been able to see U. N. B.'s great team in action in addition to the Dalhousie Tigers and Moncton City and the seeing filled the void on several Saturday afternoons, a crowd of nearly 500 people watching Dal play last Monday. This means something to a city the size of Saint John, a city that is quite proud of its reputation in the athletic world in these parts. It is not a question of dollars and cents. It is the matter of a name and in this one direction, a gilt-edged address of thanks is due the Trojans. The fans go down to the grounds and see two young teams of well-built athletes fight fiercely for the decision but few ever think of the disappointments and heartaches back of the scenes in arranging these games. Just one instance. In their first date of the season here, Trojans were dealt a heavy blow by the rain. Rather than send U. N. B. back without playing and being minus nearly \$100 for expenses, the locals kept the entire team over Sunday and Monday to play. It rained on Monday and the crowd was slim. That was a handicap never quite hurdled. There were others all the way through. But the local fans showed they appreciated the efforts of the Trojans in arranging these games and whenever the weather was fine, they turned out in goodly numbers.

REFERRING to the Allison grounds, a little boy asked one of the young lady taggers last Monday why all the big crowd was collecting there. On being told there was a football game in progress, he remarked: "Darn, I was going to sail my boat there this afternoon."

A CORRESPONDENT who does not sign his name writes us expressing the hope we shall give every publicity to Canada's great winter game, hockey, and asking that we publish the National Hockey League schedule. The correspondent does not sign his name, otherwise we would have printed it but since the matter has been raised, in reply, we would say that hockey will be posted to the very best of our ability and just as soon as the N. H. L. schedule is released it will be published. The writer, who has very good intentions, offers some criticism of the fact that we did not print a few changes made in the western circuit of the league and also the fact that last year, The Times-Star printed about one line of the western hockey games. Not being super-gifted and having only one page to devote to sport news, it is a physically-impossible task to print every detail that takes place in the sporting world. Western Canada is several thousands of miles from here and our correspondent must realize that it costs real money to even get the bare results. We are served, we might point out, by the Canadian Press which must necessarily limit its service to get the chief news to all concerned. In gathering sport news, first concern is the territory the newspaper serves and proportion must be our rule. Otherwise, we would be flooded. We trust our unsung friend sees this and understands our point. Hockey is a grand game—a glorious game—the fastest and finest game in the world, and if we can boost it and help, we are there to the last piece of ice.

U. N. B. SHOULD have little difficulty in winning the Maritime inter-collegiate crown today at Sackville when they play N. S. Tech. But Montreal and the MacTier cup—that's a different matter.

WHILE there has been a deal of talk—and rightly so—about the coming of Chas. Thunberg to our shores for the big meet, we should not overlook our own local boy, Gorman, in our desire to give the Finnish ice a royal welcome. Over on the other side of the pond, Friend Charlie never had a look-in but there were good and sufficient reasons and one of them was that he knew as much about how they conducted their races as you and I know of Mr. Einstein's relativity. It was a case of Thunberg inviting Charlie into his backyard, luring him around an ash barrel and then soaking him. This time, Charlie will do the inviting. Of course, it is not as crude as we have expressed it but the main point is that the Canadian ace knows what he is up against and knows what he must do to turn the tables. "This chap Thunberg is stocky and hard as iron," Gorman tells us. "He is tireless in the long distance events and is no slouch on the sprints either. It will be no easy job to beat him but you can say this for me, that if I can get the right breaks, I won't disappoint my friends. Right now I am feeling great. In fact, I cannot remember when I ever felt better at this stage of the game." The 1924 International champion is out daily at the Allison grounds and Moosepark Park getting into shape. If he trains faithfully for the coming events, we have no hesitation in saying Saint John will be proud of him but as we see it, it is a matter of condition. Gorman knows all the ropes of the skating game, he has the natural ability and what he needs now is to get in the pink for the coming classics.

BIG ATTENDANCE IS REQUESTED AT THE ANNUAL

Saint John Skating Association Executive Sets Date Today

SETTING the date for an annual meeting is not a very important item of business, such as will be done this afternoon at a meeting of the executive of the Saint John Skating Association, but holding the annual gathering is another and a very important piece of business, particularly in view of the plans that are being formulated to bring to Saint John the greatest meet in the history of speed skating on this continent. It must be pretty well agreed by this time among citizens that an affair of this magnitude can be made a success only by everybody getting into the swim and helping things along. Whole-hearted backing by the citizens generally and by the members of the association in particular, is necessary to its success.

Last year, a membership drive instigated by the local skating association, achieved a considerable measure of success and at present there are about 600 members on the roll. To many who sent in their dollar, the appeal of the association for increased support seemed a worthy one and they gave their money and then forgot about it. To interest every member in the affairs of the association this year is the aim of the officials and they have commenced a drive to make the annual meeting a hugely-attended one. It is their honest desire to have everyone who possibly can do so to be present at this annual meeting and take part in the official proceedings. The election of officers and appointment of committees for the year is an important matter and the executive will make an earnest attempt to interest every member and have him present at the meeting.

The date for the meeting will be set this afternoon. It is the duty of every member of the association to be present at this meeting and show by his presence that he is in hearty agreement with the plans now being considered.

Sold Four-year-old For 1,000 Guineas

At the second October sales at Newmarket, England, Mr. and Mrs. J. B. Whitburn sold 10 horses, of which Arawa, a brown colt four years old, by Sunstar and Maid of Orange, was taken by the New Zealand sportsman, J. B. Reid, at 1,000 guineas. Kentish Glade, a three-year-old chestnut colt by Rochester and Fairy Glen, was bought by Sir Delvres Broughton for 800 guineas. The latter goes to Hedsford to be trained for jumping by Colthwaite.

SCOTTISH LEAGUE STAR TO LONDON

LONDON, Nov. 10.—Rumors at the beginning of the season had Harper, the international goalkeeper of the Edinburgh Hibernians on the transfer list, and these were then denied. That they had some foundation, however, is assured by the fact that today Harper has followed many brother Scots this season and has migrated south. The Hibernian tender has signed on for Argente at a figure which has not been disclosed.

Another transfer has gone through today. Newcastle United lose their fine center-forward, Neil Harris, who will henceforth play under the colors of Notts County. It is stated that the transfer bounty was a record one.

Girls Unable To Agree On Rules

The representatives of the ten city girls' basketball teams, which met last night in the Y. W. C. A. recreation center to discuss the formation of the Girls' City Basketball League, were found to be evenly divided in their choice between boys' and girls' rules. W. E. Stirling presided at the meeting and Miss Marion A. Belding was secretary.

Miss Belding was asked to write to the secretary of the Ladies' Baseball Association in Toronto announcing that the Saint John teams were evenly divided in their choice between the two different rules.

Arrangements were made for calling another meeting of the representatives of the city teams after the decision of the meeting has been received from upper Canada.

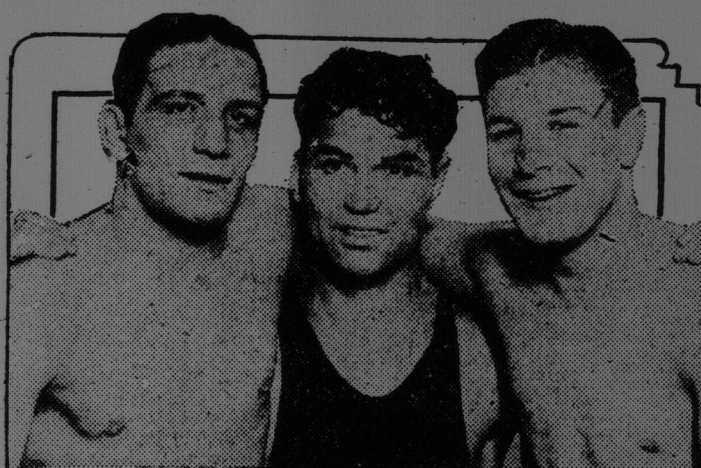

BREAKS RECORD

PARIS, Nov. 11.—On the Montlhery speedway yesterday, Captain Kidridge, an Englishman, driving an automobile of one half litre engine capacity, broke the world's 50 kilometer record by covering the distance in 16 minutes and 95-100ths of a second. His average speed was more than 116 miles an hour.

SAY VINEZ WON

NEW YORK, Nov. 11.—A majority of the newspaper critics at Lucien Vinez's first fight in this country disagreed with the judges who awarded Charley Rosen a victory over the Frenchman. "What of it—it was just another fight," said the loser, a veteran of over four hundred bouts.

3 Kings of Fistic Game

Three of a kind—and all kings. As you doubtless know, Ballerino is junior lightweight champion, Dempsey rules the heavy sector and Rosenberg wears the bantam crown. They were snapped at Jack's Los Angeles gym the other day.

NO DECISION YET RE ESKIMO TRANSFER

Edmonton Owner Says He Can Get Better Deal at Regina

CALGARY, Alta., Nov. 10.—While I have made no definite decision regarding the transfer of the Edmonton Eskimos to Regina for the 1925-26 season of the Western Hockey League, I favor the Regina proposition that has been offered me, and no one in Edmonton can prevent me from moving as I have already secured the consent of the majority of the club owners for a transfer," stated Kenny Mackenzie, owner of the Eskimos, who is in Calgary conferring with President Richardson. "I am absolutely satisfied that I can get the whole-hearted support of the Regina newspapers, and every hockey fan in the city, and the surrounding country, while in Edmonton, I doubt very much if the public will be behind the team, notwithstanding the fact that I have eliminated all the trouble makers, and have every belief that the new Eskimos will be as strong as the line-up that won the championship in 1922-23."

Bout Cancelled

SEATTLE, Nov. 10.—A six round bout scheduled for tonight was cancelled when Jack Reddick, claimant of the heavy weight championship of Canada, withdrew. He had been matched against Roy Cliffe, of Seattle, but asserted his thumb was sore. The Seattle Boxing Commission was called to consider disciplining Reddick.

WALKER'S TITLE TO BE AT STAKE

Champion and Challenger Must be Under Limit For Coming Bout

NEWARK, N. J., Nov. 10.—Under a new ruling by the New Jersey State Boxing Commission, compelling all champions as well as their challengers in bouts here to enter the ring within their class weight limit, Mickey Walker's welterweight title will be at stake in his bout with Sailor Friedman, of Chicago, at the Newark armory November 25. Walker and Friedman must scale at or under 147, the welter limit, on the afternoon of the fight. Since no official decision is handed down, however, Walker can lose his crown only by a foul or a knockout.

MOUNT ALLISON AND U. N. B. MAY BE REPRESENTED

Ticket Committee Is Formed to Promote Advance Sale

ENTRIES from outside points, including Moncton, Wanderers A. A. A., Halifax, Chatham, and probably University of New Brunswick and Mount Allison, are expected for the Maritime indoor meet here on Friday, November 27, at the Arena, according to W. E. Stirling, New Brunswick vice president of the M. P. B., in charge of the executive committee handling the meet. There was a meeting of the committee last evening when excellent reports were received. Mr. Stirling said he had been in touch with J. C. Quigley, Halifax, secretary of the union, and Mr. Quigley informed him that it was almost certain the Wanderers would send a team over. Mr. Stirling also has been in touch with Chatham, U. N. B., and Mount Allison and a favorable reply to his request for entries was given.

Paul Cross was named chairman of the ticket committee last evening and an organized effort will be made to have a good advance sale of tickets for the meet. Practically all the local amateur organizations are co-operating to put the meet over. The entry committee also is hard at work and indications now are that a heavy list of competitors will result.

APOLGY ACCEPTED

NEW YORK, Nov. 11.—Walter Miller, manager of the Southern middleweight, Tiger Flowers, appeared before the New York Boxing Commission yesterday and apologized for an part he may have had in the circulation of stories that Flowers was illegally knocked out by Jack Delaney, of Bridgeport, Conn. Miller's suspension for unjust criticism in connection with the Delaney bout was lifted as a result of the apology.
