NEW DINING CAR SERVICE BETWEEN

SERVICE BETWEEN
ST. JOHN AND McADAM.

With Canadian Pacific general change of time, November 28th, the St. John-Boston Train will leave at 6.00 p. m., local time, daily, except Sundays.

This is the only train operating between St. John and Boston carrying passengers from points in the Maritime Provinces to the New England States.

Passengers from East of St. John particularly, as well as from Nova Scotia via Digby, will be pleased to know that in future a regular Dinning Car will be attached to this train and will serve dinner en route to McAdam Junction. On account of earlier departure than service last winter, this will enable patrons of the Ail Rail Line to procure meal on this train after departure from St. John.

ARTIFICIAL COAL.

Brussels, Nov. 16.—(A. P., by Mail.)

—It has been announced here that an engineer named Bauschleicher has succeeded in manufacturing by a simple process artificial coal of great heating capacity. It is made with the vegetable refuse from peat beds, of which Germany possesses a great number.

The new fuel, which is called "gaso!" chal, is said to have a heating capacity of 7,500 units and burns with a bright flame. It leaves no cinders.

EXTRACTION Only 25c.
