### BURGLARIZED SIX AMHERST STORES

(Amherst News.)  
Burglaries evidently carried out on the wholesale plan, occurred on Saturday night between the indefinite hours of midnight and the early morn. From present reports six places were entered and another small store had the front window smashed. In this latter place the thieves were probably scared away by some late traveling pedestrians.

Only the smaller stores were victimized by the robbers—and not all of these places of business were on the side streets. Chief of Police Pickern holds the theory that the work was carried out by a gang of drunks who were looking for nothing but cash. No goods of any particular value were taken. Windows in each place were broken, and access gained to the buildings through the broken panes. The scope of the criminal activity extended from Alfred Allen's store in Crescent avenue, up to Dolph Cormier's, corner Park and Patterson streets, and beyond a shadow of a doubt the same person or persons was responsible for the series of crimes. The stores burglarized were:

Alfred Allen's Crescent avenue; sepi's, Pleasant street; Dolph Cormier's,

corner Park and Patterson streets; Wilfrid Cormier's, Park street; Nap Cormier, Patterson street.

The person or persons who committed the crimes, by luck struck on a good night. Chief of Police Pickern was home sick in bed, and at 11 o'clock Officers Burdine and Wood were called out in Willow street to arrest a drunken man, who had been creating a disturbance. Thus they would be absent from the main centres of Amherst for at least an hour and a half.
