HALF MILLION LOSS

Iron Furnace Company in Michigan
Hard Hit—Police Say
Fire Bug Did It

Marquette, Mich., Jan. 29.—An explo-
sion early today followed by a fire which
destroyed the alcohol refining plant, the
primary building and a series of con-
sumers of the Pioneer Iron Furnace
Company, caused damage estimated at
\$500,000.

The police believe the explosion was
caused by an incendiary, but officials of
the company declined to express an op-
inion.

TEMPORARY MEAT SHORTAGE IN EASTERN STATES FEARED

Washington, Jan. 29.—The fact that the
east faces a temporary meat shortage
because of transportation difficulties was
discussed by the food administration last
night in instructions sent to packers not
to increase their prices above a normal
margin of cost and to distribute their
available supplies fairly among their cus-
tomers. Wholesalers and retailers re-
ceived virtually the same instructions.

DR. FARRIS' PLOTS OF TUBERCULOSIS DEATHS

People Should Not Be Discouraged
Because of Larger Number of
Deaths in 1917

In an interview with a Times reporter
today Dr. H. A. Farris, superintendent
of the St. John County Hospital, said
that he did not think that citizens
should become discouraged after read-
ing the annual report of Dr. Geo. G.
Melvin, chief health officer of St. John,
in which he pointed out that there was
an increase in deaths from tuberculosis.
Doctor Farris said that it was sub-
stantially true that deaths from tuber-
culosis increased from 68 in 1916 to 98
in 1917, but it would have to be taken
into consideration that many of these
deaths would have occurred in 1916 had
it not been for the care and treatment
received in the St. John County Hos-
pital, so that the average for these two
years would give a fair estimate. A
little more than a year ago, Dr. Farris
said, there had been a decrease, but it
had been too rapid to be permanent.
Very little, he said, could be based on
one year's death rate from tuberculosis.
No direct effect in exterminating the
disease could be seen from a campaign
for at least five and possibly ten years.
He said that protection of children was
very essential to eradicate the disease.
Dr. Farris expressed confidence that
from the educational campaign now
being launched in this city together with
the work of the department of public
health in Fredericton, school inspection
in the province, coupled with work of
the sanitarium in River Glade, the local
dispensary and the St. John County
Hospital a good effect would be evi-
dent in a very few years.

WOUNDED AND MISSING

W. A. Quinton, Lancaster, Re-
ceives This Word About Nephew

The sad news that his nephew, John
D. Berteaux, is officially reported won-
ded and missing since November 17, has
been received by W. A. Quinton, of
Lancaster. The information was received
in a letter from his sister, Mrs. Fer-
guson, of Vancouver. The missing sol-
dier is her son by her first marriage.
The young man enlisted in British Col-
umbia in a western Irish battalion and
had been at the front for about a year
and a half. His two other brothers also
enlisted and are serving at the front.
Friends of the family in this city will
sympathize with them in their bereave-
ment.

IS CHARGED WITH RECEIVING GOODS KNOWING THEM STOLEN

In the police court this morning Fred
Hannah was charged with receiving
goods known by him to be stolen, a
preliminary hearing was commenced.
Hannah, 34, 1111 appeared for Han-
nah. The articles referred to are a buf-
falo robe belonging to Edward Bates of
St. John street valued at \$15; two
blankets belonging to the New Brun-
swick Telephone Company valued at \$17
and two other blais which have not
yet been identified. The total value of
the goods is \$49. Mr. Bates identified
his robe. He said that on Saturday last
he left the robe in his car in Acadia
street and when he returned after en-
tering a store the robe was missing.
Thomas L. McCormack, driver for the
New Brunswick Telephone Company,
identified the two blankets. He said
that they were stolen from the shed on
Jan. 19. The case was then postponed
and Hannah was remanded until tomor-
row at 10 o'clock in order to give the
detectives time to have the other blan-
kets identified.

Two brothers, juveniles, were up on
separate charges of theft. The older
brother is charged with stealing from
the N. B. Telephone Company two
blankets which figure in the Hannah
case and the younger one is charged
with stealing a \$2 bill from a little girl.
Both pleaded guilty and were remanded
until this afternoon.

In the Supreme Court chambers this
morning His Honor Judge McKewen
made an order giving the care of two
children to the Children's Aid Society.
This case was an appeal from the court
of the society where there had been a
disagreement. The mother of the chil-
dren was arrested some time ago and ap-
peared in the police court charged with
keeping a disorderly house. She was al-
lowed to go under certain conditions
which she did not observe. Rev. George
Scott took the children on behalf of the
Children's Aid Society this morning and
