### FORMER WOODSTOCK HOTEL MAN IS DEAD

### Jas. H. Wilbur Passed Away In Manitoba — Probably Died While Undergoing Operation

Woodstock, N. B., Feb. 13.—On Sunday J. H. Thompson received a telegram with the news of the death of Jas. H. Wilbur, formerly of Woodstock, and for some years proprietor of the Ellis House, in Manitoba, Manitoba. A letter received on Saturday from him stated that one of his legs, injured while a boy, was bothering him and it was his intention to undergo an operation. It is supposed that he died from a weak heart while undergoing the operation.

Mr. Wilbur was about 45 years of age and a most popular young man. He came here with his father from Bathurst in 1880 and his father bought out and conducted the Wilbur House until his death. His son formed a partnership with Helen Stevenson in 1900 in the management of the Aberdeen Hotel, but a few years afterwards he went west where he has been a successful hotel man.

He was connected with the fire department and filled the important office of secretary for twelve years. He was a member of the Masonic Fraternity, Odd Fellows, and other societies. Percy Wilbur, of Bathurst, is a brother. Mrs. J. H. Thompson and Mrs. J. S. Craigdon, of Woodstock, and Mrs. Guy Saunders, of Rossmore, Manitoba, are sisters. His wife was a Miss Paris of this town. The body will be brought here on Thursday of Friday for interment.

### FEAR SCHOONER IS LOST WITH NINE MEN

(Canadian Press)  
Boston, Feb. 13.—Unreported for two weeks, the schooner fishing schooner, Elia M. Godwin, which left Bay of Islands, Nfld., for Boston three weeks ago, is believed to have been lost and her crew of nine men drowned during last week's storm.

About a week after sailing from Bay of Islands, the vessel was reported to have put into a Nova Scotia port, but cleared again within a few hours. Although many vessels pass over the same course the Godwin took, none has spoken her. Local mariners are of the opinion that the schooner was either rammed by a steamer during the storm or sprang a leak and sank with all on board.
