

## WELLS VICTOR OVER KNOCKOUT BROWN IN TEN

In Stiff Battle in New York, Britisher Gives American Whirlwind a Decided Setback—The Battle by Rounds

Madison Square Garden, N. Y., Aug. 30.—Matt Wells, the English lightweight champion, added to his list of triumphs by outboxing and outfighting "Knockout" Brown, the New York lightweight, in a ten round bout before the largest crowd that has ever witnessed a pugilistic contest in New York city, tonight. The bout, the second to be held under the new boxing law, brought a crowd of probably 14,000 persons to the Madison Square Garden.

Wells' cool and calculating defense had the American sorely puzzled and he repelled Brown's attack from every angle. Brown could not solve the Englishman's left jab which played about the American's face with lightning rapidity, and kept him from doing any damage at all. Seven of the rounds clearly belonged to Wells. Referee Charles White had to caution both men frequently in the clinches. The battle gave "Knockout" Brown's championship aspirations a severe setback. It was stated that the gate receipts totaled \$20,000.

The decision was a popular one, as no decision was rendered by the referee. Brown received 22 1/2 per cent and Wells 22 1/2 per cent of the gross receipts.

Wells was the first to climb through the ropes and was given a cordial reception. He was equipped by nine seconds, including his manager, George MacDonald. The Englishman was trained fine and looked to be in the pink of condition. Brown soon followed Wells into the ring, and went at once toward Wells' corner where his shock hands with his opponent.

Brown was smiling and confident. It was announced that both men had weighed in under 133 pounds. There was some betting at 100 to 75 on Wells.

Both men came into the ring with hands bandaged and Referee White stripped some of the bandages from Wells hands. Brown was forced to remove some of the bandages from his hands also. The men boxed straight Queensbury rules.

**The Rounds**  
Round 1—They came to a clinch and both held for several seconds. Wells landed a stiff right to the jaw and blocked a return. The Englishman forced the fight, jabbing Brown with his left. Both were wild and there were few clean blows struck. Brown missed a right hook but a minute later caught Wells with a left to the wind. Wells had the slight advantage of the round.

Round 2—They roughed it to a clinch. Wells trying a kidney punch. Brown hooked a hard right to the jaw which wobbled the Englishman. They swapped lefts to face and went to a clinch. Brown hooked a right to the ear and there was more rough work. Wells walloped Brown twice on the jaw. Brown was wild in his attack, and could not seem to land cleanly. Wells put two lefts to the nose and Brown countered on the nose. Wells hit Brown twice on the nose, but took a left to wind in return. Wells ducked into a terrific left swing, and Brown followed his advantage with left to chest. At the bell Brown got a right to the ribs. Brown was bleeding at the nose. The round was even.

Round 3—Wells held in the clinches. Wells gave Brown a terrific right to the mouth which caused Brown's mouth to bleed a stream. The Britisher came back with another hard right to the jaw but Brown backed away from further danger. Brown put a right hook to the shoulder and then they sparred for a time. The American swung his left to the wind and Wells hooked right and left to the jaw, causing Brown to retreat. Brown recuperated quickly, and the bell found them fighting in the center of the ring. It was clearly Wells' round.

**Wells' Again**  
Round 5—Wells got in a right uppercut. Brown ripped a right to ear. Wells clearly outboxed Brown, jabbing him repeatedly in the face. Brown kept trying for a hay-maker, but Wells danced out of danger. Brown got a stiff right and left to "ella" face. Near the bell Wells put a right to the ear. Wells had the round.

Round 6—Wells got a right to jaw and stepped the return. Brown hooked a right to the chin. Wells slipped to the floor if it stepping. Brown got in two heavy rights, but Wells more than evened them with two heavy swings to the jaw. Brown got in a terrible left to the ear, which staggered the Englishman.

## CRIPPLE FROM RHEUMATISM

NOW IN PERFECT HEALTH THANKS TO "FRUIT-A-TIVES"

"Vancouver, B. C., Feb. 1st, 1910. I am well acquainted with a man, known to thousands in Vancouver, Victoria and New Westminster, who for nearly a year was practically a cripple from Rheumatism. He was so troubled with the disease it was difficult to even turn in bed. His heart appeared so weak that he could hardly walk up stairs. "Last June, I received a sample of 'Fruit-a-tives.' He used them and dates his recovery from that time. Today, there is no man in Vancouver enjoying better health. "He was building a house this fall and shingled a good part of the roof in a driving rain without suffering any kind of effects. "JOHN B. LACEY. "Mr. E. E. Mills (assistant postmaster at Knowlton, Que.), also writes: "I honestly believe that 'Fruit-a-tives' is the greatest Rheumatism cure in the world. Try it yourself. "Box, 6 for \$2.50, trial size, 25c. At dealers, or from Fruit-a-tives Limited, Ottawa."

Brown had a slight advantage on the round.

Round 7—Brown got a stiff left and right to the head, but the Englishman started the blood again with a right to the mouth. Wells got in several straight jabs without return. Wells hooked a hard left to jaw and received a right to wind in return. It was clearly Wells' round.

Round 8—Brown got a left to the face and followed with a left to wind. Brown boxed in repeatedly trying to land a knockout. They worked to repeated clinches without much damage. Brown hooked a right to the jaw which drove the Britisher's head back. Wells put a hard left to the eye. It was Wells' round again.

Round 9—Brown rushed and there were rapid exchanges. Brown slipped in Wells' corner. Brown hooked a hard left to wind and Wells came back with a right to the stomach. Wells again opened the cut on Brown's mouth accidentally with his elbow. Brown went at Wells like a tiger and smashed a right to the wind. The round was even.

Round 10—They shook hands, and were quickly at it. Brown kept trying for a knockout, but Wells kept inside the blows. Brown staggered Wells with a hard left to wind. Wells got in several jabs to the face and had Brown bleeding profusely. Wells slipped to the floor in an exchange. Brown tried a hook to the jaw and Wells drove him off with straight jabs. They exchanged lefts. Near the end Wells caught Brown's head back with a left to the eye.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running ear, which is not dangerous, and when it is entirely closed, deafness is the result, and it may be cured by the method used by Dr. J. C. ## AMUSEMENTS IN ST. JOHN; WHAT THE PLAYHOUSES OFFER

### NICKEL

Madame Furlong-Schmidt at Nickel Theatre, continues to delight the large audiences who congregate daily. Yesterday afternoon she was presented with an exquisite bouquet from some Montreal friends who had unexpectedly visited the city, and the night previous some floral greetings were handed her over the footlights from St. John friends. Today and tomorrow St. John vocalists will sing a cute little number entitled Eyes of Killarney Blue. George Moon will also have an Irish number, in Old Ireland, Meet Me There. The picture programme was especially interesting last night and will be continued today. It included a Klondiking story, The Quest for Gold; a Biography farce, The Ghost; the Beauty and the Beast; and the Corporation and the Ranch Girl. New pictures on Friday and a bumper matinee for the school children Saturday afternoon.

### THE LYRIC

They have attained only the height of twenty-eight inches, and weigh but thirty pounds at the age of thirty-four years, does not seem like rapid physical development, but life is more than height and weight. She is a self-possessed, dignified little lady who, it is announced, appeared before Queen Victoria at Osborne House. She is also credited with having danced and sung for the late King. Chiquita is said to be as gracefully supplied as a statue of Venus from the marble ankle to the perfectly poised head. Her engagement to Miss Jean Livingston, character singer and dancer, is announced.

### THE OPERA HOUSE

Another large audience witnessed Margaret Mayo's comedy success "Baby Mine" last night at the Opera House, and once more a highly pleased concourse of people left the theatre after the performance. The play was thoroughly productive of whole some laughter, and the complications arising in the lives of a young married couple were presented in a most amusing and all present. Tonight will be the last chance to see this remarkable laugh-producer.

### MORNING LOCALS

An interesting address was delivered in Brookville last night by Rev. H. E. Thomas on the Founding of the Nation. Rev. J. J. Pinkerton acted as chairman. A large audience greatly appreciated the address.

A very successful garden party was held on the grounds of the Silver Falls Methodist church yesterday afternoon. A programme of sports was carried out and a very enjoyable afternoon spent.

A break down of the engine of the Boston Express last night at the station caused a delay of two hours. An engine from Fredericton brought the train into the city.

The C. P. R. have plans prepared for the car ferry for the St. John Digby route. The plans call for boats 30 feet long, with beam of 65 feet and draft of 18 feet. They will carry thirty cars. The ferry terminal will, it is said, be on the Dunn property, north of the west end ferry boats.

That F. B. Carvell and reciprocity will have a great majority in Carleton county is the feeling in that constituency. An enthusiastic meeting was held last night at Richmond Corner, when a large audience listened to able addresses by Mr. Carvell and G. W. Upham, M.P.P. Chas. Comben, a well known Conservative lawyer of Woodstock, has come out openly in favor of the agreement.

A. E. Pearson and G. R. McCord addressed a large gathering of electors in Bloomfield last evening, and there was no doubt, from the applause which greeted their remarks, that reciprocity was in hearty favor with the farmers. Mr. Pearson referred to Sir John Macdonald's favoring reciprocity, and also to Hon. Geo. E. Foster promising to try to get it for Kings county. Dr. McAlister's election is assured.
