

Though there are encouraging features in our church work we feel that our labors have not been as profitable and successful as they might, yea, ought to have been. We, therefore, devoutly urge upon all our members, adherents and office bearers, renewed consecration to the service of our Lord, knowing their efforts cannot fail or be in vain in the Lord.

E. H. SAWERS,

C. R. SOMERVILLE,

*Interim Moderator.*

*Clerk.*
