We feel that in tendering you the appointment the government duly considered the many dered the county during your long career as a public man. Not only as a member of the house of commons have your services been conspicuous, but we appreciate your worth as a citizen and one who has always endeavored to promote the growth, happiness and prosperity of the community. That you possess the confidence of the party, as expressed by their selection of yourself to fill the late vacancy in the senate, is an evidence of the desire of the iers to carry out the wish of the rank and file of the party, and thus to express the good liberal principle that

the people are the powers. To you we also to express our continued confidence as a member of the party and as one who holds the position of president for the county, realizing as we do that in our deliberations we shall have the benefit of your counsel in such acts and things as may come before us. The prosperity of the county, the advanced position which Canada is taking in the eyes of the world the cultural as well as for our manufacmineral resources as well as our means of transportation both by land and water, the increased prosperity of our ports, particularly that of the city of party is a progressive one, one that has the interests of the people at heart, and one in whose hands we can safely trust the future, realizing as we do that it stands for good govern increased prosperity, honest taxation for honest purposes, a guarantee of our liberty, freedom and rights. We wish to express our renewed confidence in our party leaders, their policy and their platform. We trust that the country may long be spared the benefits of your services, and that the same wise and prudent counsel shall prevail in all affairs of our county.
