FINAL "PUSH"

When It Comes Germans  
Will Think 'Tis End  
Of The World.

British Gunner communi-  
cates some plain truths  
to people of the United  
States.

The following letter from Gunner A.  
Sharman of the R. G. A. in England  
has been sent to his brother, Frank  
Sharman of Brooklyn and by the re-  
cipient handed to the New York  
Times. Republished in The Standard

has been requested:  
To the Editor of The New York Times:  
As a constant reader of your pa-  
per during the past eight years, I feel  
that I can send you a copy of a letter  
received from my brother, which I my-  
self can fully vouch for.

FRANK SHARMAN,  
Brooklyn, Jan. 11, 1916.

(Inclosure.)  
St. Bartholomew's Hospital,  
London, E. C., Dec. 27, 1915.

Dear Brother:  
Many thanks for your letter dated  
July 4 which I received December 23.  
I got my little bit of "Turkish Delight"  
on July 4 when an 11-inch shell  
from the German-Turkish cruiser Goeben  
whizzed by me within a yard of  
my face and exploded about fifteen  
yards from me, damaging both my  
ears and causing concussion. I was  
in the hospital at Malta for five weeks  
before coming home and have been  
here since August 26. I have had four  
operations and may yet have to have  
another. But I count myself lucky  
to get away from the Dardanelles alive.

I can tell you I have seen the worst  
fighting in the world's history and I am  
really surprised at your asking "What  
are the English doing?" That is where  
you Americans make a big mistake  
and fail to grasp the magnitude of our  
task.

Do you know that when war broke  
out it came to us like a thunderbolt  
and we were quite unprepared for it?  
We transported the majority of our  
small army from our colonies, sending  
territories to replace them, and sent  
what troops we had at home to France  
and got them there without a single  
casualty.

Besides, we have trained an army  
of 4,000,000 volunteers in twelve  
months. We have made a big drive  
at Loos, which is the strongest part  
of the Huns' lines. Talk of inactivity,  
come to England and see what a vast  
military camp it is. Watch the British;  
now we have our men trained and  
started to send them across.

You talk about Americans losing  
faith in us. I may tell you we have  
lost faith in them after the number  
of American citizens the Huns have  
murdered and not a hand raised to  
avenge them. I suppose if they sunk  
the St. Louis and the St. Paul, Pres-  
ident Wilson would send them another  
note.

We did not go to war with Germany  
for the life of British subjects, but for  
a vow made by us, and Germany too,  
to defend the neutrality of Belgium. If  
Americans adopt this action, let them  
admit that and get to work themselves  
to demand reparation on the field for  
American blood that has been poured  
away and not sit in an office to write  
notes and to worship the almighty dol-  
lar which is poured in from England.

You also talk of Lloyd George and  
say the New York editors want to  
know what is amiss with him. All I  
can say is that they know nothing  
about him. All England, even Bonar  
Law, has paid him the highest tribute,  
for he has turned England into a vast  
arsenal. Coventry is now turning out  
20-inch howitzers and ammunition at  
the rate of 6,000 shells daily, and  
that is only one place (another case  
for admiration). Now we see our  
policy is to wait and grow into over-  
whelming numbers both in men and  
guns, for one great final push, which  
the Huns will think is the end of the  
world.

Now tell your German friends in  
New York that their beloved Father-  
land (which they cannot fight for be-  
cause the British navy will not let  
them over) is doomed, and that their  
boast "Der Tag" will soon be dawning  
not for them, but for us, and that  
their one and only War Lord, the Mad  
Butcher of Europe, will have to an-  
swer for all. As regards himself, we  
have not yet borrowed half of what is  
in our stockpiles at home, while Ger-  
many is already starting ruin in the  
face. Now try and convince yourself  
of that. The Allies are unconquerable  
and after this war Britain will be a  
new and greater nation than we have  
ever been.

**Suffered From Nerves.**  
Could Not Sleep.

To the thousands of people who are  
troubled on sleepless nights after night,  
or who pace the floor with nerves un-  
hinged, and to whose eyes sleep will not  
come, Milburn's Heart and Nerve Pills  
offer the blessing of sound, refreshing  
slumber.

They restore the equilibrium of the  
deranged nerve centres, thereby producing  
peaceful, undisturbed, refreshing sleep,  
and will cause you get up in the morning  
feeling that you have the strength and  
vitality to go through your day's work  
with ease and vigor.

Mrs. Hollas Knox, St. John, N.B.,  
writes: "I suffered greatly with my  
nerves, I could not sleep at night, nor  
work, and the least little thing worked  
on my mind and bothered me. Last  
winter I thought I would go out of my  
mind, I would scream out, and my mother  
really thought I was going crazy with my  
nerves. It was so terrible I would hold  
my head and cry. I tried two doctors,  
but they did not do me any good. I  
thought I would tell you to-day I am  
perfectly cured by using three boxes  
of Milburn's Heart and Nerve Pills, and  
I can recommend them to all sufferers  
from nervous troubles. You can tell  
everyone that they are the only thing  
that did me any good."

Milburn's Heart and Nerve Pills have  
been on the market for nearly a quarter  
of a century, and are universally known  
as the best remedy for all heart and nerve  
troubles.

N. Davidson, wife of Allan Davidson,  
Sr., of Upper Derby, died yesterday  
morning at 84 years of age. Besides  
her husband she leaves five children:  
Mrs. Caleb Schofield, Blackville; Miss  
Jessie A., at home; Alexander, Upper  
Derby; Gordon, of Newcastle, and Al-  
lan, Jr., at home. Interment will be

George R. Johnson.  
George R. Johnson, who had been  
treasurer of the municipality of the  
city and county of St. John for the  
last eight years, died on Wednesday

night at his home, 89 Paradise Row,  
after several weeks illness. He was  
seventy-five years of age, but before  
contracting his fatal illness he en-  
joyed the best of health. Many friends  
will learn of his passing with sincere  
regret, and much sympathy will be  
felt for the bereaved ones. Mr. John-  
son was born in this city and resided  
here all his life, for the most part in  
the North End. He was a lumber  
surveyor for many years, and was en-  
gaged in the business up to the time  
of his municipal appointment. He  
leaves his wife and two sons—Roy A.  
and G. R., both of this city.

Mrs. Susan Hicks.  
The death of Mrs. Susan Hicks oc-  
curred yesterday afternoon suddenly  
at her residence, 153 Paradise Row.  
She was the widow of Benjamin Hicks  
a respected resident of this city.  
She leaves two sons, William and  
George, of New York; and two daugh-  
ters, Mrs. Charles Gesteiner, of Fall  
River, and Mrs. Edward J. Ross, of  
this city.

W. Ernest Barker.  
The death of W. Ernest Barker oc-  
curred at his residence, 88 City road,  
yesterday morning. He was in his  
fifty-second year, and leaves his wife  
and four daughters, the Misses  
Georgie, Muriel, Elsie and Florence,  
all at home. One brother, Robt. V.

Barker, of this city, and one sister,  
Mrs. A. A. Belyas, of Wickham,  
Queens county, also survive. The  
late Sterling Barker was a brother,  
and another was the late George  
Barker of the city fire department.  
W. Ernest Barker was well known as  
a carpenter and builder. He was a  
member of the Order of Orangemen.  
His health broke down some three  
years ago, and he had been confined  
to the house for many months. Many  
friends will extend sympathy to the  
bereaved family.

Boy Scouts Entertainment.  
Last night some seventy Boy Scouts  
had a most enjoyable time in the  
school room of St. James' church, the  
occasion being the visiting of St.  
Paul's Troop to St. James' Troop. Af-  
ter both troops had given a display in  
drill a very spirited game of basket-  
ball was indulged in, the result being  
in favor of St. Paul's boys. Mrs. Ellis,  
Miss J. Dunham and Miss L. Warren  
very kindly looked after the prepara-  
tion of the refreshments which were  
then handed around and soon disposed  
of by the now hungry boys. Instruc-  
tive addresses were then given by  
Rev. H. A. Cody, S. M. McPherson, A.  
S. M. McPherson, A. S. M. Hamm,  
Percy Gibson and B. C. Waring, after  
which the two troops sang the Na-  
tional Anthem, whilst standing at the  
salute, thus concluding a most pleas-  
ant evening. It may be mentioned  
that the drill instruction of the St.  
James Troop is being given by Private  
Radcliffe and Private Garsby of the  
66th Battalion.

Can't Find Dandruff.  
Every bit of dandruff disappears  
after one or two applications of Dan-  
derine rubbed well into the scalp with  
the finger tips. Get a 25-cent bottle of

FUNERALS.  
The funeral of Jeremiah Cavanaugh  
took place at 2.30 o'clock yesterday  
afternoon from his late residence,

**To Cure ECZEMA**  
It is necessary that the remedy  
used shall not only have unusual  
healing power, but shall also con-  
tain germicidal properties. Every-  
one knows that where there is dis-  
ease, there are germs, and it is the  
persistence of these germs that  
prevents an eczema patch from  
healing. Zambuk is such a strong  
germicide that germs cannot live  
where it is applied.  
The germs having been destroyed,  
the healing, soothing, herbal es-  
sences in Zambuk soon have their  
effect. Gradually, new, healthy  
tissue replaces the old and dis-  
eased, and eczema is ended.  
If you suffer from eczema, ulcers,  
abscesses, poisoned wound, ringworm,  
pimples, boils or any other disease  
of the skin, don't delay, but secure  
a box of Zambuk at once, and  
prove for yourself its power.

An Easy Way to  
Increase Weight

Good Advice for Thin Folks.  
The trouble with most thin folks  
who wish to gain weight is that they  
insist on drugging their stomachs or  
stuffing it with greasy foods; rubbing  
on useless "flesh creams," or follow-  
ing some foolish physical culture  
stunt, while the real cause of thinness  
goes untouched. You cannot get fat  
until your digestive tract assimilates  
the food you eat.

There is a preparation known to re-  
liable druggists almost everywhere  
which seemingly embodies the missing  
elements needed by the digestive or-  
gans to help them convert food into  
rich, fat-laden blood. This modern  
treatment is called Sargol and has  
been termed the greatest of flesh-  
builders. Sargol aims through re-  
generative, re-constructive powers to  
coax the stomach and intestines to  
literally weaken and the fatiguing ele-  
ments of your food and pass them into  
the blood, where they are carried to  
the starved, broken-down cells and  
tissues of your body. You can readily  
picture what may be this amazing trans-  
formation should produce as with  
increased weight the cheeks fill out,  
hollows about neck, shoulders and  
bust disappear and from 10 to 20  
pounds of solid, healthy flesh is added  
to the body. Sargol is absolutely  
harmless, inexpensive, efficient. All  
leading druggists of this vicinity have  
it and will refund your money if you  
are not satisfied, as per the guarantee  
found in every package.

If you find a druggist who is unable  
to supply you, send \$1.00 to the Na-  
tional Laboratories, 74 St. Antoine  
street, Montreal, and a complete ten  
days treatment will be sent you post-  
paid.

NOTE:—Sargol is recommended  
only as a flesh builder and while ex-  
cellent results in cases of nervous  
indigestion, etc., have been reported  
care should be taken about using it  
unless a gain of weight is desired.

**IF KIDNEYS ACT  
BAD TAKE SALTS**

Says Backache is sign you  
have been eating too  
much meat.

When you wake up with backache  
and dull aches in your kidney region  
it generally means you have been eat-  
ing too much meat, says a well-known  
authority. Meat forms uric acid which  
overworks the kidneys in their effort  
to filter it from the blood and they  
become sort of paralyzed and lazy.  
When your kidneys get sluggish and  
clog you must relieve them, like you  
relieve your bowels; removing all the  
body's urinous waste, else you have  
backache, sick headache, dizzy spells,  
your stomach aches, tongue is coated,  
and when the weather is bad you have  
rheumatic twinges. The urine is  
cloudy, full of sediment, channels  
often get sore, water scales and you  
are obliged to seek relief two or three  
times during the night.

Either consult a good, reliable phy-  
sician at once or get from your phar-  
macist about four ounces of Jad Salts;  
take a tablespoonful in a glass of  
water before breakfast for a few days  
and your kidneys will then act fine.  
This famous salt is made from the  
seld of grapes and lemon juice, com-  
bined with lithium, and has been used  
for generations to clean and stimulate  
sluggish kidneys, also to neutralize  
acids in the urine so it no longer irri-  
tates, thus ending bladder weakness.  
Jad Salts is a life saver for regular  
meat eaters. It is inexpensive, cannot  
injure and makes a delightful, effec-  
tive lithia-water drink.
