recting The  
Tennis Terms

ware of the Game Adv  
the Elimination of the  
ords Love and Deuce.

is players are beginning to  
an old campaign against the  
the word "love" to indicate  
in the scoring system.  
argue that this absurd bit of  
ology has been the chief  
for the charge of equanimity  
for years has been held  
tennis and they are prob-  
right. No excuse has ever been  
for the utterly meaningless  
terms except that they are  
as the game itself, which is  
errible age, as athletic ages go.  
should there be a tradition  
the use of such simple and  
sahable expressions as "noth-  
ought," or "zero"? Why  
games be scored fifteen points  
time up to thirty, then two at  
up to fifty, assuming that the  
nity is actually the limit im-  
by the count? Why should  
apiece be called "deuce"? (A  
question was asked at the New  
State tournament, naturally in  
question, to this effect:  
a they call "deuce," does it mean  
ought to have won the point?"  
are answers to all of these  
s, and, along with the present  
ion in favor of "the-man tennis,"  
unamendable spirit of curiosity  
scholarly research is growing.  
inherent manliness of what has  
become the world's most popular  
requires no special pleading  
who find it a wishy-washy,  
y-pamby affair are simply not  
ng tennis, and probably have  
seen it played correctly. L. C.  
the old Princeton football  
who made the All-American  
and later developed into a first  
tennis player, has gone on re-  
s saying that a hard five-set  
n of singles takes far more out  
than the toughest football game  
ver played in, and athletes in  
"tough" lines have borne testi-  
to the same effect.  
t what of the history of the ten-  
terms themselves? The toughest  
is lot is the much derided "love".  
It has always been used for  
chubby, innocent cipher, and no  
has ever been able to explain its  
n. One possible and perhaps the  
solution is offered by a foot  
in Singer's rare book on "Play-  
ards," which states that there is  
old Scotch word, "luff," meaning  
hing." Another word of similar  
d and the same intention is said  
e of Far Eastern origin, and, as  
old form of tennis unquestionably  
ed in the Orient, this word  
also have been the parent of  
for "deuce." It is merely the  
valent of the French "deux,"  
oints have to be  
in succession to make the game.  
an old scoring system, in which  
ollowed 30, it was customary to  
"a unit" when 45 was reached,  
calling one point more for game.  
If this score were used, the call  
ld change to "a due," for in every  
e of racquets, from time immem-  
ial, it has been decreed that a tie  
in one point of game meant the  
necessity of winning two points in  
cession.

CHAMPIONS, 6; CLIPPERS, 3.  
fine game was played on the Vic-  
a Square diamond last evening  
on the North End Champions de-  
ted the East End Clippers by a  
re of 6 to 3. The batteries for the  
ampions were White and Moore and  
the Clippers Griffin and Griffin.  
od playing on both sides featured  
same, and as the Clippers have  
reputation of being the fastest  
rior team in the city, the North End  
ys were much elated over their vic-  
ry, for which, however, they had to  
ht hard.

HOLDING OUT.  
Cincinnati, Aug. 6.—Outfielder and  
cher Charles See, who was pur-  
sued from the Rochester Interna-  
tional League Club by the Cincinnati  
Reds for a price said to have  
been \$10,000, reported to Manager  
Evan of the Reds yesterday. See,  
who was bought last week, is said  
have held out for a part of the  
week, and to have compromised  
on this matter with Rochester  
before consenting to report to  
the local club.

"NICK" CALLAN RETIRES.

"Nick" Callan, former amateur heavy-  
weight boxer, has retired from the  
New York Police Department, at an

appointed to the department May 14,  
1922, was connected with the 75th Pre-  
fect upon being dropped from the
