

SECOND ANNUAL REPORT

—OF THE—

Ladies' Aid Society of Knox Church

Knox Church Ladies' Aid Association have much pleasure in presenting their second annual report.

Our membership is just half what it was last year, though several ladies have attended the meetings, and worked faithfully, who have not enrolled themselves as members. It is hoped that many more will join the Association. A hearty invitation is extended to, and work will be found for all. With a membership of twenty-eight, and a weekly attendance of from twelve to twenty-two, work has gone on steadily, pleasantly and profitably. We discontinued work for some months during the very warm weather, and on resuming found our new room ready for occupation.

We desire to thank the Managers for placing at our disposal, and putting in such good order, so large, cosy and home-like a room in which to meet; now it is curtained and carpeted it is a pleasure to meet therein. The Young Men's Bible Class also meet here and enjoy the room.

Entertainments given during the year were neither so numerous or remunerative as last year, which accounts for the decrease in the balance. There was a social in connection with the congregational meeting which added largely to the numbers at and the pleasure of the meeting. Lecture by Rev. J. Mutch, and illustrative views by Alex. Hay, Esq. Toronto, on "Petra, the Rock City of Edom," March 15th. Rev. Mr. Chambers, illustrated Pilgrim's Progress, April 21st. Cantata of Queen Victoria and her reign, kindly tendered the ladies by Mr. J. Johnson, May 20th. Rev. M. Fraser, M.A., anniversary
