All members of Glencoe Lodge No. 133, I. O. O. F., are requested to assemble at the lodge room at 1.30 p. m. Thursday, July 6, for the purpose of attending the funeral of our late brother, James Corbett.—B. F. Clarke, N. G.

Two citizens of the community summoned on a charge of exceeding the speed limit on the Longwoods Road appeared before Magistrate McKenzie on Friday afternoon to defend their cars, but afterwards failed to appear and the charge was dismissed.

The death occurred suddenly from a stroke on Thursday evening of Miss Mary Galbraith at her home, south Main street, in her 86th year. A funeral service was held at the residence of John E. Reyecraft, Mosa, on Saturday afternoon and interment was made at Oakland cemetery.

A Gaelic service will be held in Burns' church, Mosa, on Sunday next at 11 o'clock. Rev. Mr. Galbraith, of Thamesford, will conduct the service. There will be a short English service, when Mrs. Thompson, of Strathroy, will sing. At the evening service, Rev. Mr. Dizon, of North Glencoe, will render a solo.

While attending the Snelgrove family reunion at Springbank last week, G. W. Snelgrove, proprietor of the Central Garage, Glencoe, was induced to enter the foot race for men 50 years and up, an event in the sports program of the Expressmen's Union, picknicking there at the same time, and succeeded in winning an \$8 umbrella. Some sprinter, George, was the winner.

An interesting recital was given by the pupils of Miss Pearl George at her studio, Symes street, on Thursday evening, June 29th. Those taking part were Verna Blain, Florence Stalker, Margaret Waterworth, Clara George, Margaret McLachlan, Bessie McKellar, Fred George, Carrie McLean, Delbert Hicks, Zola Munroe, Evelyn Stevenson, Fred Whitfield, Florence Hills, Ronald Galbraith, Charles George and Lillian Kennedy. At the close of the recital refreshments were served.

CASHMERE

Mr. and Mrs. Cyrus Smith spent
Sunday with Mr. and Mrs. Fred Sullivan
at Bothwell.

Calvin Sitter and Mrs. Earle Tunks
have received word of the death of
their great-uncle, Mr. Smith, at In-
wood.

H. Jerome and Mrs. Jerome, of
Caledonia, spent a few days with Mr.
and Mrs. Cyrus Smith recently.

Mrs. Cyrus Smith was a Kent
Bridge visitor on Thursday.

The school picnic was held in
Brooks' orchard on Saturday (Dom-
inion Day). A very enjoyable time
was spent in sports, after which sup-
per, with lots of ice cream, was par-
taken of. Miss M. Carruthers, teach-
er for the past year, was called for-
ward and presented with an ivory
manicule set as a small token of es-
teem. While in our midst she was
always ready to lend a hand and we
will miss her greatly and are sorry
she is not remaining here longer.
Miss Carruthers, although completely
taken by surprise, made a suitable
reply.

SUFFERED YEARS WITH ECZEMA

"Fruit-a-lives" Cleared
Her Skin

POINTE St. PIERRE, P.Q.
"I suffered for three years with a
terrible Eczema. I consulted several
doctors and they did not do me any
good.

Then, I used one box of "Sootha-
Salva" and two boxes of "Fruit-a-lives"
and my hands are now clear. The pain
is gone and there has been no return.

I think it is marvellous because no
other medicine did me any good
until I used "Sootha-Salva" and
"Fruit-a-lives", the wonderful medicine
made from fruit.

**DODGE BROTHERS
BUILD NEW COUPE**
Closed Car For Business Men Is
Distinct Achievement in
Automobile Field.

First With All Steel Body—Other
Cars Have New Body Design.

Behind the simple phraseology of
an announcement which Dodge Bro-
thers, Detroit automobile manu-
facturers, are publishing today in every
important city and town in America,
lies the story of a new achievement
in automobile development. "Dodge
Brothers announce a business coupe;
conservative changes in the body de-
sign of all other types," the adver-
tisement reads.

The business coupe is the first all-
steel closed car ever marketed. In
this respect it takes a new and dis-
tinct place in automobile history, for
it involves an entirely unique prin-
ciple of coupe body construction.
The steel body not only practically
eliminates the problem of limited
production, due to the tedious and
costly individual workmanship re-
quired on wood bodies, but also en-
ables the manufacturers to give the
coupe the same lustrous baked en-
amel finish which has already con-
tributed so much to the reputation
of Dodge Brothers open cars.

This process in itself will also facilitate
quantity production, as an enormous
amount of time was consumed heretofore
in applying the numerous
coats of paint required on wood.
Naturally, these are important fac-
tors in the determination of the sell-
ing price, resulting in economies
which Dodge Brothers are passing
directly to the purchaser. "Wood is
practically eliminated from the con-
struction of this car," said W. B.
Mulligan, the local dealer. "Even
the framework and panels are of
steel, and the natural result is a
lighter, quieter and more durable
car. Steel prolongs life and reduces
the possibility of squeaks and rattles."

It is in business men of America
who have been expecting such a coupe
and Dodge Brothers have given it to
them.

"It is in reality a coupe at a road-
ster price. While it is easily attrac-
tive enough for any use, it is particu-
larly designed for the business man
—who needs the comfort and protec-
tion of a closed car in his work, but
who can easily get along without a
few of the luxuries which, in the
past, have made the closed car so
expensive. The business coupe is
built inside and out to withstand the
wear and tear of every day use—and
yet it retains the same lightness and
beauty of line which everyone is ac-
customed to look for in Dodge Bro-
thers closed cars. It lacks only what
I might term the depreciation
liabilities of the more expensive
coupe. It is upholstered in genuine
leather, has a wide, comfortable
straight seat, is equipped with cord
tires, heater, dome light, windshield
cleaner and adjustments for raising
and lowering windows. The doors
are unusually wide and are fitted
with new easy closing Yale locks.
There is more than the usual amount
of leg room and convenient and spa-
cious luggage compartments are pro-
vided. Doctors, real estate men and
salesmen of all kinds will find just
the car they need. We already have
good indications of a tremendous de-
mand."

The change of design in the other
Dodge Brothers cars indicates that
while Dodge Brothers have always
adhered closely to the practical they
are also progressive and abreast of
the time. It is Dodge Brothers' pol-
icy to make improvements year after
year and month after month and this
is simply another step forward."
