"ORANGE LILY SAVED MY LIFE"
These words or expressions having
the same meaning are contained in
hundreds of the letters I have re-
ceived during the past year. Many
were from women who had suffered
agonies from falling of womb; others
from women who had surgical dan-
gers from tumors and ulcers had been re-
moved by the action of Orange
Lily; and others who had suffered
from suppressed menstruation,
leucorrhoea, painful periods, etc.
For all these and the other troubles
known in general as Women's Dis-
orders, Orange Lily furnishes a positive
and applied direct to the suffering organs, and its operation is certain and ben-
eficial. As a trial actually proves its merit, I hereby offer to send, absolutely
free, a box worth 45c, sufficient for ten days' treatment, to every suffering woman
who will write for it. Enclose 3 stamps. Mrs. Lydia W. Ladd, Windsor, Ont.

LEARN DRESSMAKING IN TWO WEEKS

We teach a complete course of les-
sons on Dress-making. You cannot
afford to go to a shop, where you hem,
baste, overcast all day, then after suf-
fering three months, you will know no
more about cutting out a dress than
the first day you went there. When in
a couple of weeks we can give you a
knowledge in cutting, fitting and put-
ting together of waist to most elabo-
rate dress. If you do not want to learn
to be a professional dress-maker, then
even if it is only for your own home-
sewing, it will pay you to learn as the
cost is so small. A few days' trial give
free. No pay in advance.

Next class begins Dec. 1st. Terms
are \$14.00 including charts, to be paid
when through.
For full information call at our re-
sidence on Nov. 29th.

In Memoriam
In loving memory of my dear
husband, Otto Podam, who died
one year ago, Dec. 7th, 1918.
The moon and stars are shining
On a lone and silent grave
Where sleeping without dreaming
Lies one we could not save
In dreams I see his dear kind face
And kiss his still cold brow
And whisper as I loved you then
I love your memory now.
His wife.

Stock Sale Starts Tuesday
The campaign for the sale of stock
for the big theatre to be built in
Kitchener will open on Tuesday next,
Dec. 9th, when the brokers will be
here. This is a local undertaking
which promises good dividends and
should be well supported. The city
needs a large theatre very badly,
and with competent management
such as is assured, will be a big
money-maker.

Mrs. Eddy and Christian Science.
The Atlanta Georgia Constitu-
tion speaking of Mrs. Mary Baker
Eddy and Christian Science says:
"One need not be a subscriber
to or even a sympathizer with the
creed of Christian Science to recog-
nize its Founder, Mrs. Mary Baker
Eddy, as a remarkable and achiev-
ing figure of history. For orders of
religions and creeds there have been
in plenty, but not in our day, at
least, has there risen one to build
so staunch and so phenomenally an
increasing following as that which
pays tribute to Mrs. Eddy as its
originator and leader. She dis-
seminated happiness and cheerfulness
among men and women, in-
spired hopefulness to those that
were sick of heart and gave many
a battle-weary spirit courage to
face once more in the direction
of the dawn. By whatever term
it be described, that accomplish-
ment stands forth for the furtherance
of good and the encouragement
of uplift."
Notice of a lecture on Christian
Science will be found on page 5
of this issue.
